Constitution Of Piedmont Baptist Association, Inc.

ARTICLE I

NAME AND PURPOSE

Section 1. The name of the Association is PIEDMONT BAPTIST ASSOCIATION, INC.

Section 2. The purpose of the Association is to proclaim the Gospel of Jesus Christ by developing and promoting programs to assist the effectiveness of the churches in their mission, in cooperation with the Baptist State Convention of North Carolina and the Southern Baptist Convention.

ARTICLE II

QUALIFICATION OF MEMBER CHURCHES

Section 1. A church admitted to membership in this Association shall be a Church which shall cooperate with the Southern Baptist Convention, be recommended by the Credentials Committee, and whose membership shall consist of believers baptized by immersion only.

Section 2. Unless it shall be a member of this Association upon the date of adoption of this Constitution, a Church to be admitted as a member of this Association shall apply for membership by submitting a statement over the signature of its pastor and clerk that the Church intends to cooperate with the Southern Baptist Convention and the Association, and that its members have been baptized by immersion only. The Credentials Committee shall use as its basic guide in examining the Church the "Baptist Faith and Message" as adopted by the Southern Baptist Convention on May 9, 1963. Upon recommendation by the Credentials Committee of the Association, and upon a vote of at least two-thirds of the messengers voting at a meeting of the Association, a Church shall be admitted as a member. If the prescribed application is submitted before a meeting of the Association, a Church may be admitted by the Executive Board of the Association, under the watchcare and subject to formal admittance by the Association.

Section 3. Each member church shall retain its autonomy, but if the Credentials Committee of the Association shall determine that a member church has ceased to cooperate with the Southern Baptist Convention and/or the Association, or has admitted members not baptized by immersion only, upon recommendation of the Credentials Committee at a meeting of the Association, and upon a vote of at least two-thirds of the messengers voting at such meeting, a member church may be expelled from membership in the Association. No person serving the Association in any capacity shall be qualified to continue in office if the member church of which he is a member is expelled.

ARTICLE III

MEETINGS OF THE ASSOCIATION

Section 2. Special meetings of the Association may be convened by the Moderator, if the Executive Board shall give prior approval, and written notice shall be given to the member churches at least ten days prior to the special meeting.

Section 3. The representation of the member churches at annual or special meetings of the Association shall be by messengers. Each member church shall be entitled to send to a meeting of the Association as messengers the pastor and not less than three (3) of its members, and one additional messenger for each 200 members of that church above 300 members.

Credentials Committee

Please be advised that Sedgefield Baptist Church is sponsoring a new mission church lead by Rev. Don Moody. The church name is Pleasant Ridge Baptist Mission and is located at the intersection of Pleasant Ridge Road and Alcorn Road in northwest quadrant.

The group, already numbering about twenty-five (25) had the first midweek services in July of this year and regular Sunday morning and Sunday evening services began the 2nd. Sunday in September.

We wish to apply for Watchcare Status of the Piedmont Baptist Association and we will comply with the associational policy for membership.

Submitted to the Credentials Committee by:
 Otis W. Davis, Pastor Sedgefield Baptist Church
 Don Moody, Mission Pastor Pleasant Ridge Baptist Mission

I am writing to you in reference to the clerk package you sent to our church for the 1987 year. On August 15, 1985, Lynwood Lakes Baptist Church voted to no longer be in the Piedmont Baptist Association. We are now considered an independent Baptist church. Therefore, it is no longer necessary for you to send us your literature pertaining to the association. Thank you for your cooperation in this matter.

Submitted to the Credentials Committee by:
 Rev. Dwayne Pearson, Lynwood Lakes Baptist Church

Ordination Committee

The Ordination Committee of the Piedmont Baptist Association met at the request of Rev. Philip Whitt, pastor of the Gate City Baptist Church to examine Terry Larsen. The committee, which serves as an advisory council to the requesting church, met July 13, 1986 and examined the candidate on general matters of his personal Christian walk, doctrine, and Baptist life. The committee recommends his ordination. The committee consisted of Rev. Robert Goode, Edwin Chenoweth and Rev. Michael K. Moore. Michael K. Moore, Chairman

Personnel Committee

Members of the Personnel Committee-Loretta Calhoun, Bill Claffey, Larry Austin, Sam Wilson, Jimmy Workman and Larry Baldwin have had a very active year.

We have met fifteen to twenty times during the year to maintain all our staff personnel and chaplain positions. We were pleased to staff the new chaplaincy position at the Greensboro Police Department with Rev. Wofford Boyd.

We appreciate the kind spirit and consideration you have given to the Personnel Committee as we continue to represent each of you in our personnel matters.

Larry Baldwin, Chairman

Properties Committee

We have met with the real-estate agent regarding the sale of Lakewood property.

There is approximately 1 acre lot in the center of the Lakewood property that is owned by another party. Our agent is working with the party to either trade for other property or purchase the lot. He thinks this needs to be resolved before we can sell the property for its highest value.

Anyone interested in purchasing the property should contact Manuel Cunnup or the chairman of the Properties Committee.

Sanford Smith, Chairman

Mega Cities Report

Last year the association approved five major objectives for Piedmont Baptist Association over the next five years. Our task this year was to develop goals and action plans to accomplish the approved objectives.

Our Director of Missions, Manuel Cunnup, and I met with the NC State Convention program directors in September to review the plans. They were excited about our bold plans and agreed to cooperate with the association by providing some personnel and resources to help us accomplish these worthy objections.

The attached report is submitted for your review and approval. With your approval, we will meet with the Home Mission Board in November for final approval of our five year plan.

We remind you that this is a pilot project by the Home Mission Board to place major emphasis on reaching people for Christ in the fifty highest populated metropolitan areas of the United States. We are pleased to be a part of this great effort to reach people who are hurting and need Christ.

Sanford Smith, Chairman

Sunday School

Sunday School continues to be the primary outreach and teaching arm of the church in our Piedmont Baptist Association Churches. Churches with growing Sunday Schools are churches who are growing in other areas as well.

The primary training emphasis this year in the association was the VBS Clinic which was held on April 22 at Friendly Avenue Baptist Church. Sessions were offered for all age-groups with an attendance of 18 in the General Officer Session, 4 in the Youth Session, 38 in the Children's Session and 25 in the Preschool Session, for a total of 85 people. Dan Valley Association assisted with some of the leadership for this clinic.

The Sunday School Director for the new year is Dennis Stamey. Members of our ASSIST Team are: Associate and General Officer-Larry Whicker, Hunter Hills; Adults-John Setchfield, Greensboro First; Youth-Al Marguerat, Lawndale; Children-Cindy Vaughan, Clifton Road; VBS-Mark Harper, Parkway.

Keep working to make our Sunday Schools stronger both in teaching and in reaching.

D. Dale Sloan, Director

Woman's Missionary Union

To God be the glory for the W.M.U. year of 1985-86! As Woman's Missionary Union of North Carolina celebrated its 100th. year, the Woman's Missionary Union of Piedmont Association was celebrating its 93rd. year. Records show that as early as 1870 a group of five ladies made up Woman's Missionary Society of the congregation known as First Baptist Church but the resolution to organize on the associational level was passed in 1895 and in 1898 the actual organization of associational W.M.U. took place.

Since that time W.M.U. has grown and become a vital part of Piedmont Association. We now have a W.M.U. organization of some kind in 48 of the 49 churches in our Association ranging from Mission Friends and G.A.'s to a full missions education program for all age levels. Three of our churches added a G.A. organization this year. Two others added Baptist Young Women and one "revitalized" their Acteen organization. Membership reported in 1985 totaled 3,336.

In order to be equipped to teach missions, engage in mission action and personal witnessing, to support missions with prayer and giving, and lead in interpreting the work of the church and denomination, we must be trained. The W.M.U. Council and I began in July at W.M.U. Week at Ridgecrest to prepare ourselves to be the kind of leaders that could help all W.M.U. workers in our churches to be equipped for the tasks of W.M.U.

The annual Fall Leadership Training Workshop at Friendly Avenue Church in September was evidence of the willingness of the leaders to be prepared to provide the best missions education for their

church. Over 200 participated in the workshop.

This spirit of availability and wanting to be used of God to reach the "uttermost parts of the earth" was also evident as 150 came to the World Day of Prayer at Rocky Knoll Church on a cold, rainy night in November. We joined in prayer and praise with women on seven continents and gave an offering to be sent to the Baptist World Alliance to aid in the many needs of those at work through the Women's Department.

In December all the churches participated in the study of Foreign Missions and the Week of Prayer for the Lottie Moon Offering. We also gathered gift items for women at Central Prison in Raleigh and inmates of the Guilford County Jail, Sandy Ridge and McLeansville Prisons.

Throughout the year, we have offered times of fellowship and inspiration for the leaders and members of W.M.U. on all age levels—the W.M.J. Focus Week Banquet, The Annual Prayer Retreat, Mission Friends Day Camp and G.A. Olympics Day, the Acteens have enjoyed their annual banquet and two overnight retreats, Baptist Young Women and Young Baptist Women have had a book study, a seminar and their annual banquets.

These times are important to us because it deepens our relationships with each other and our spiritual growth.

Again this year many individuals and groups have found places of service in volunteer missions projects in other states and overseas.

We have enjoyed friendship and fellowship with our international students throughout the year as we supplied food for their activities and many became "Friend Families" to the students.

Perhaps one of the greatest joys came as we participated in visitation, surveys, and personal witnessing for the "Good News America" Crusade. As we went out in the community, many needs were found and our commitment was deepened. Thank you for allowing me the privilege of serving in our Association.

Shirley Barbee, Director

Brotherhood

Our year for Piedmont Baptist Association Brotherhood got off to a good start with a workshop in October, 1985 at Friendly Avenue Baptist Church.

This workshop was led by David Langford, our State Brotherhood Director, who conducted a workshop for Brotherhood Directors and Baptist Men. Tommy Puckett from our State Brotherhood conducted a workshop for R.A. Pioneer leaders and Robert Stephenson, Minister of Education, Glen Hope Baptist Church, Burlington, conducted a workshop for R.A. Crusader leaders. This workshop was well attended and I believe that workshops of this type can be very helpful to our churches in giving their Baptist Men and R.A. leaders a good starting point for their Baptist Men and R.A. programs. After all, one of the primary functions of the associational Brotherhood is to assist our churches in starting and building their Baptist Men and R.A. programs.

We will be having a workshop December 8, 1986 at Florida Street Baptist Church to assist our Baptist Men and R.A. leaders in the new church year. This program will again be led by one or more of our State Brotherhood staff and will be an excellent instructional tool to assist Baptist Men and R.A. leaders in our various churches in starting or building strong Baptist Men and R.A. programs. You will be hearing more about this soon.

In February of this year we had an excellent annual dinner meeting with Vicki Babu of WFMJ-TV as our guest speaker. She told us of her trip to Togo and the mission work that the Baptist Men are doing there and gave an excellent slide presentation. Rev. "Bubba" Rose, pastor of Reedy Fork Baptist Church, and Sanford and Ann Smith also participated in our program.

We are planning a well rounded program of associational Brotherhood events both for Baptist Men and R.A.'s for 1986-87. We are looking forward to a very good year.

Jimmy Workman, Director

Music

During this past year, the Music Council has worked hard to provide both teaching and training, and fellowship opportunities for the churches in our Association.

Highlights of the year include the Youth Choir Retreat at Camp Willow Run, the annual Childrens Choir Camp in July and our Adult Choir Retreat in the early spring. In addition to these, other training sessions were held.

Our goal is to reach as many churches as possible with our activities and share the message of Christ through music. If we can help others use their talents and musical abilities, then we have accomplished one of our goals.

We have been able to go into several churches in the past year and conduct music schools. These opportunities are available to all churches and we would be very pleased to send a clinician in to work with the music director and/or his choir. We welcome the privilege of working within the local church in whatever way we can and whenever we are called upon.

Our prayer is that our work throughout the year will edify the local church music program and that through our work Christ will be honored and glorified.

Jerry Watts, Director

Stewardship

The churches of Piedmont Baptist Association continued to demonstrate growing financial support of the Association's missions program. The forty-nine churches gave \$187,194 to Association causes, a 2% increase over last year. Gifts to Cooperative Program causes totaled \$832,937, a 2% increase over last year. Budget offerings of the churches for 1985-86 were \$10,569,165. To exemplify the potential financial support of new Associational ministries, the Piedmont Baptist Association budget

would reach \$528,458 if each church gave 5% of their undesignated receipts to local missions. Every church is encouraged to make this potential a serious matter of prayer.

The Stewardship Council has been committed to informing the local churches of the work of the Association and the need for continued financial support, as well as the development of time, talent and treasure within the local church.

The main event of the year was the annual Stewardship Banquet, held for the first time the first week in June in conjunction with the Shubal Stearns Week of Prayer for Associational Missions. More than 200 persons attended and enjoyed an informative and entertaining program based on the "Tonight Show" format.

Stewardship information from the Southern Baptist Convention and the Baptist State Convention of North Carolina was disseminated to the local churches. Upon recommendation of the Stewardship Council, the Association's Executive Board approved the continuation of the Shubal Stearns Offering, inviting the local churches to participate in the new North Carolina State Missions Offering and Homes and Hospital Offerings as they deemed appropriate.

The Stewardship Council also recommended that the Association approve the establishment of Piedmont Ministries for the purpose of receiving for ministries authorized and supervised by the Association. It was approved by the Executive Board.

The Stewardship Council was made up of Bruce Anthony, Chairman; Pete Boone, Ward Burch, Jo Clark, Lucille Grubbs, Lee King, Leroy Parker, Chuck Warnock and Manuel Cunnup, ex officio.

Bruce Anthony, Director

Church Extension

We are happy to report this year two new missions in the beginning stages.

The First Baptist Church, Greensboro has been searching for suitable property for over a year. They have now secured thirteen acres on Lake Brandt Road next to a new fire station and a short distance south of the Greensboro Day School.

A Vacation Bible School was held during the summer on the property. A full schedule of Sunday School and morning and evening worship services are planned for Sunday, October 19, 1986. About fifteen families from Greensboro First and Lawndale Churches have indicated their intention to support the new mission.

In the spring of 1986, Rev. Don Moody became concerned about the need for a Baptist church in the Old Oak Ridge-Fleming Road area. He found a vacant church building near the intersection of Pleasant Ridge and Alcorn Roads and leased it. The Sedgewfield Baptist Church agreed to sponsor the new mission church which is called the Pleasant Ridge Baptist Church. Wednesday night prayer services began early in August and Sunday School and morning and

evening worship services began Sunday, September 14. Attendance for the Sunday morning services has reached thirty-two as of the date of this report. The Piedmont Baptist Association has been able to help with \$1,800.00 toward the cost of leasing the property.

We commend the First Baptist Church, Greensboro and Rev. Don Moody for their efforts in meeting part of the need for new churches in the Greater Greensboro area.

Much remains to be done in communities like the Horsepen Creek area, Forest Oaks, south of Greensboro, Southwestern Guilford County (east of High Point) and Southeast Greensboro. We hope that the example set by these two new works will become an inspiration for other churches to "Go and do likewise"!

Austin Lovin, Director

Seminary Extension

Seminary Extension courses are designed primarily for pastors and other staff members who have been unable to attend a seminary. In Piedmont Association, as in many other locations across the country, lay church leaders have also found the courses helpful in their Christian service.

Last year, the Piedmont Baptist Association Seminary Extension Center was one of 378 similar centers throughout the United States. Approximately 5,000 persons took one or more courses in one of those centers.

Piedmont Association works with the Seminary Extension Department of the Southern Baptist seminaries to co-sponsor the center. The department has worked with the seminaries to develop more than sixty ministry-related courses. Most of these courses are also available for correspondence study through the department.

Jim Palmer, Director

Literacy

As we prepare this report for you, we are both discouraged and encouraged in our Literacy Ministry.

It is discouraging knowing that 23 million American adults, 800,000 plus of this number in North Carolina, are functionally illiterate (one out of five or greater). We have trained teachers waiting to teach them to read but they are reluctant to come forward and let us serve them.

We were encouraged with another successful workshop in May led by Mrs. Velma McGee from Winston Salem with 22 teachers being trained. Five of them are using their training outside Greensboro and several of the others who are available have been assigned a student. As you have heard me say many times, it is a slow, quiet ministry but so exiting and rewarding.

We were pleased to have one of our faithful teachers, Mrs. Ola Lee McGinnis, interviewed by the Daily News about her volunteer work in literacy. It was a very good article with a

color picture of her in her literacy work.

We have also had publicity in newspapers, local and national T.V. The PLUS Program (Project Literacy US) was presented on T.V. during September and will continue through May 1987. We are already receiving requests from this project and we are grateful for the publicity they have given us. This is what we need!

With all of these activities going on, we feel that we have had a good year. It's just natural not to be satisfied. There are so many people out there who need the ministry we have to offer.

Continue to pray for us in the Literacy Ministry. Let us hear from you if you know someone who we could help or if you are interested in being a Laubach teacher. Our next training workshop will be held in May 1987. Watch our associational newsletter, "The Challenger", for a definite date.

Let's Each One Teach One

Frances Funderburk, Director

Chaplaincy Ministry

Guilford County Law Enforcement Center

This past year has been another year of great blessings in our ministry to the Guilford County Law Enforcement Center. Reginald, Beauford and myself have had many opportunities to share the love of Jesus with those who need it most. For the little part we played in the decisions made, we will be eternally thankful for our God seeing fit to use servants such as we.

Through the end of July, we were able to see 113 men and women come to know Jesus as their personal Savior. There were over 250 rededications and again over 1,000 counseling sessions conducted. We had the opportunity to help many individuals and their families with their various needs. The ministry to the personnel of the Sheriff's Department grew with more and more time being devoted to individual counseling sessions. The Lord has blessed us in such a wonderful way in this ministry. May we continue to pray for souls to be converted and lives changed as a result of our labors.

At the present time, there is still a great need for personal hygiene items and Christian paperback books for the jail. For details contact one of the Chaplains.

It has been a great joy and personal privilege to be chaplain here. God has enriched my life and the life of my family for this opportunity to serve. Pray for the Chaplains now serving and pray for my family and myself as we are now fully involved and committed to grow a strong loving church in the Northwest area of our county. Our church is the Pleasant Ridge Baptist Church and it is our prayer that we will always honor our Lord.

Don Moody, Chaplain

On August 1, 1986, the ministry at the Law Enforcement Center began a new era with a new leader. Although the

leadership changed, the ministry simply became stronger with the added hours given to it. My predecessor, Rev. Don Moody, laid solid ground work. With the new leadership, a strong inmate ministry has simply expanded and strengthened and the ministry to the staff of the Department has been broadened.

The ministry to the inmates is blessed with the best of anchors. The work of Chaplains Reginald Cook and Beauford Smith are outstanding and surely pleasing to the Lord. With these two as anchors, some thirteen to seventeen different individuals witness, pray, and worship with part or all of the three hundred plus inmates per day in the Greensboro Detention Center (Jail #1). Many have come to know the Lord and commit their lives to Him through the ministry of Piedmont Baptists.

The ministry has expanded with my working the High Point part of the Detention Center (Jail #2) at least once a week. It is interesting to note that the work in the two jails is different in several ways. When I work in the Greensboro jail, the inmates can hide from the Chaplain because of the structure of cells. In the High Point jail I am able to see all the inmates as the cells are constructed as you would envision a cell-three walls with the entire front being bars. On the average, sixty to seventy inmates hear of God's Good News and ministry of Piedmont Baptists each week. God's Spirit is strong in the High Point jail.

There is great excitement in the ministry to the staff of the Sheriff's Department. As you probably are aware, the staff is divided into two main sections, the Greensboro and High Point divisions. I have heard many of the staff praise the Piedmont Baptist Association for their ministry to them. The staff does not see the Chaplain as a replacement for their pastor, but they see the Chaplain as one who understands their unique and lonely job as no one else can. Their job is lonely, most of the deputies have told me they lost friends when they became law officers. These are unique people doing a thankless job under unusual stress. The divorce rate is high both nationally and locally. Church attendance is not always possible because of their schedules. Even with these facts, I find the staff have never divorced themselves from Christianity as many law enforcement personnel throughout the United States apparently have. Because of the ministry of the Piedmont Baptist Association, the members of the department are seeing that they will never lose God as a friend, confidant, and Lord.

God's Spirit is very much alive in the Guilford County Law Enforcement Center. His Kingdom is being added to almost daily and His Mighty Word is studied constantly. Praise His Holy Name and thank you Piedmont Baptists.

John Boyles, Chaplain

About six years ago, the Piedmont Baptist Association began to build a fire for the Gospel of Christ in the Greensboro Jail and Sandy Ridge Prison. It began as most fires begin, very small, but today it is a great one. Many men and women have received Christ and many others have made rededications.

The Lord's covenant with Solomon in 2 Chronicles 7:14 can say many things to us if we will put them to practice. In this ministry, we are trying to get the prisoners to turn from their wicked ways and try another way. We are trying to kindle the fire of Christ in their hearts, so that they can be better individuals when they get out. We are trying to say to them that when the world seems to be cold, Christ can warm it up. Many have told me that since they have been locked up their friends and families have forsaken them but after accepting Christ things have been better for them. As one man stood with tears in his eyes, I could just imagine how his heart bled inside because he felt alone. He felt no one cared for him, but as time passed, he found Christ and this was the answer he was looking for. The same man said to me one day, "Thank you, Preacher, for just being here for me when on one else would."

Many things have happened this year in the ministry. We lost Don Moody, whom I loved as a brother in the Lord. Don had a great fire burning for Christ when I came to serve the Lord through the Piedmont Baptist Association. Don is now pastoring a church and will be missed very much here at the jail. However, God did not let the fire die, He just added more fuel to the flame with the addition of Beauford Smith and John Boyles.

God has allowed the Piedmont Baptist Association to expand its ministry to the Guilford County Farm where five men have received Christ the first two months we were there. My prayer for the coming year is that every man and woman who is confined in jail or prison will hear the Gospel of Christ.

I give my thanks to David, Don, Beauford, John and every member of the Piedmont Baptist Association for their support in keeping the fire of the Gospel for Christ burning in the correctional system. May God have the glory in this ministry.

Reginald Cook, Associate Chaplain

Louisa Fletcher wrote a poem entitled, "The Land of Beginning Again." The poem is quite long, but the first two lines give the dominant theme:

"I wish that there were some wonderful place called the Land of Beginning Again."

Many of the men and women incarcerated at the Guilford County jail have found the "Land of Beginning Again" because the churches of the Piedmont Baptist Association provide the opportunity for them to hear the good news that Jesus saves.

During this year, God has blessed the jail ministry with a great number of decisions for Christ. But there is one aspect of the jail ministry that statistics does not show, and that is the sincerity, interest, and desire of the men and women to grow in the knowledge of the Lord. To see them grow and witness to others around them is a joy and inspiration to me. Many of the inmates have said to me, "Thank you for taking time to come and share with me."

Another positive step was taken this year in sharing the Gospel with the men serving time at the Guilford County Farm. The foresight of Manuel Cunnup and Don Moody in getting this

ministry approved has become reality. The work there has already become fruitful.

I am thankful for the opportunity to serve God, through the churches of the Piedmont Baptist Association. Continue to pray that the jail ministry will be fruitful for the new year.

Beauford Smith, Associate Chaplain

SANDY RIDGE PRISON UNIT

It has been a great year for our prison ministry. Many lives have been touched, souls have been saved and families have been reunited.

A highlight of the year took place during the Christmas season. I was able to bring an inmate and his son together for Christmas. They had not had any contact outside of the prison confines for over fourteen years. As a result, the father received Christ, the son is off of drugs and out of juvenile detention centers. The father and son are developing a positive relationship and the court has awarded custody to the father. The father will be released from prison December 15, 1986 and intends to continue to serve God and bring his son up in a Christian home.

The churches in the Piedmont Baptist Association have ministered in many ways to the inmates and their families. Emergency shelter, food and other aid has been provided. Also, members provided and participated in various services and programs in the prison unit such as: a special Halloween service, Thanksgiving service, several Christmas parties, Christmas gifts for the staff and inmates, New Years Eve Watchnight service, Easter Sunrise service, Mother's Day service, family worship Sunday, cookouts, ball games and ice cream fellowship.

The inmates provided a party for the children in the Guilford County Juvenile Detention Center. Two inmates were baptized at Guilford Baptist Church.

As far as my personal development and continued education, I was certified as a Reality Therapist and completed one basic unit of CPE.

GREENSBORO POLICE DEPARTMENT

The Piedmont Baptist Association ministry to the Greensboro Police Department is now established and has been well received. Five to eight years of preparation, planning, programming and praying have gone into bringing this ministry into reality. Now we have a full time ministry to the members of the Police Department and their families.

I am happy to represent Piedmont Baptists to our city police. I am delighted to be your ministry voice to, and the presence of your concern for, the spiritual and personal well being of the men and women of the Department.

The ministry is new but beginning to move out of the "start-up" phase. We are still establishing goals and guidelines endeavoring to discover needs and direct ministry to those needs. I have learned the Department and its people quite well. Some are still assessing me. Yet, we are moving toward a very productive ministry.

Many are beginning to make appointments to come into the office for consultation with serious concerns. Others still prefer to talk in the hallways or work areas about lighter matters. Many conversations center on church, religion and questions about scripture and God. "Ride-Along" with patrolmen has been quite an experience-a chance for them to talk and really eye-opening for me as I learn about the down side of our city.

This ministry is a compliment to the Piedmont Baptist Association. We represent the love, care, the very presence of God to men and women who give themselves to the diligent effort of public safety. This ministry is a voice of the community to say "thank you" and "we support you while you maintain our safety"; and we do it in the name of God.

The ministry is functioning well. It is well received. I am happy to represent you in the name of God, to the members of the Police Department. All of us will be blessed through this effort.

Wofford Boyd, Chaplain

International Ministry

During the 1985-86 year, the International Committee functioned as a committee of the whole without a director. With the cooperation of the WMU's, the "Friend Families" and the

churches, we were able to provide food and transportation for the four regular International functions: the mountain trip to Hanging Rock on October 5, the Thanksgiving dinner at Florida Street Baptist Church on November 23, the Valentine party at Guilford Baptist Church on February 22 and the end of the year picnic at Dr. Vaughan's farm on April 12. In addition, we helped send six students to a state International Gathering in Charlotte on February 7-9.

Our main problem during the year was recruiting enough church families who would become "Friend Families" to the international students who had requested a family. This year we have expanded the committee to include several more churches, and we are working very hard to try to get three families from each church in the association to join this program so we can place every International with an American church family.

On Saturday, September 20, we had our fall event, a picnic at Oka Hester Park and had over 130 people to attend representing each of the colleges and universities, plus Oak Ridge Academy and 13 different churches. We believe we have had a very positive beginning to our year of ministry.

The committee will also be looking at some different areas of ministry with Internationals this year and we will be counting on the association to help us in this very vital ministry and witness.

Geneva Metzger, Director

Recreation Ministry

Adult recreation programs were expanded this year in the Piedmont Baptist Association. Due to limited recreational facilities, our recreation programs have been limited to adult programs generally in cooperation with the Greensboro City Department of Recreation.

The following recreational activities were provided this year:

Softball:

Twenty-one teams from PBA churches participated in the Men's League and twelve teams from PBA churches participated in the Women's League. Gate City Baptist Church won the regular season championship and Hunter Hills-Red, the league tournament. Hunter Hills-Red and Gate City Baptist Churches won ASA qualifying tournament and represented the association in the STATE ASA Tournament in Burlington, NC on August 15 and 16.

On July 17-19, Gate City Baptist Church hosted the third annual Men's Invitational Softball Tournament at their recreation field on Hilltop Road. Twelve teams from PBA churches participated in the tournament. Gate City Baptist Church won the Tournament Championship with First Baptist Church of Summerfield finishing second.

On August 15 and 16, First Baptist Church of Summerfield represented the association in the State Baptist Men's Tournament

in High Point, NC.

Golf:

On June 14, 1986 the third annual PBA Invitational Golf Tournament was held at the Bel-Aire Golf Course. Thirty-seven teams from twenty-two PBA churches participated in the tournament. Sedgewick Baptist Church won the first place team championship.

Basketball:

During 1985-86 the first adult Men's Basketball League was formed in cooperation with the Greensboro City Department of Recreation. Eight teams from PBA churches participated in the league. Gate City Baptist Church won the league championship.

Recreation in a Christian environment can often serve as an effective ministry for our associational churches. Pray that we will be able to expand our programs in 1986-87.

Randall Minix, Director

Senior Adults

Writing a report on all the things that we have experienced during the 85-86 year would take volumes. A person must work for a while with Senior Adults to fully understand the blessings that are on every hand. At every get-together there is joy, fun, inspiration, food and fellowship. Sometimes, however, there is sadness because one is missing who has meant so much to all of us.

We are not a group who gets together to remember "old times". Most of our time is spent planning what to do next. Oh, that the church leadership could see the potential of this group, the experience, the wisdom, the know-how and the willingness to serve. I encourage all churches to look at this vast reservoir of servants.

Many of our Senior Adult men will be ushers at our State Convention, November 10-12 at the Greensboro Coliseum. Please call Austin Lovin if you can serve.

Our Labor Day picnic was a real "blast". Ask anyone who was there. Many churches were involved.

When you read this, we will be back from our fall trip to Gatlinburg and Renfro Valley. We are planning a trip to Disney World/Epcot in January, 1987 and have tentative plans for a Yellowstone National Park trip in the near future.

The Senior Adults meet quarterly the first Monday of the month. Our next meeting is December 1 at Parkway Baptist Church. Bring a covered dish and expect to have a good time. We invite all churches to please get involved with us. The blessings are many.

Herb Meadows, Director

Family Ministry

The Family Ministry emphasis in the 1985-86 associational year took place on two Monday mornings at the association office.

On September 8th, the program dealt with "Singles Ministry In The Churches." Special emphasis was given to the separated and divorced. Pastors and their wives, staff members and specialized workers were invited to participate.

On September 15th the program dealt with "The Pastor and His Children." The discussion centered on setting priorities in relation to family, church and other matters. This brief seminar was for pastors and other staff members. This session gave birth to another idea on family, thus, "The Pastor and His Wife" will be discussed on Monday, October 20, 1986.

May we continue to give proper emphasis to family in our churches.

A. L. Parker, Director

Youth Ministry

This past year has been a year of reorganization in regards to the Youth Ministry of our association. Many activities and programs have been undertaken while trying to develop the fellowship among the youth of our churches and reaching more young people for Christ.

An associational youth council has been formed which consists of one youth representative from each church. This council meets twice annually and allows the youth themselves to have a vital role in planning and promoting ministry opportunities. The Associational Youth Ministry Advisory Council consists of a number of youth ministers from our association. The Advisory Council is very important in leading and advising our youth as well as helping carry out planned activities.

The highlight of the year was our annual Youth Rally on March 13 at the Pleasant Garden Baptist Church. Our program featured Doug Becky and Mark McMasters, Christian mime and clown artists. Also, we had "Cornerstone", a contemporary Christian music group from Raleigh, NC. There were approximately 700 in attendance at the rally! Most importantly, there were thirteen youth that publicly recommitted their lives to the Lord and one that was saved! This was an evening of worship, praise, and challenge that we will always remember!

We have also started this past year a regular monthly meeting of all the youth ministers in our association. This meeting is held on the second Monday of each month, 12:00 noon, at the O'Henry Restaurant in Greensboro. Each month there is a time of fellowship and a program planned that will help all youth ministers in their ministry to young people.

I have personally had the opportunity and privilege this

past year of helping a number of churches in our association in the area of youth ministry within their own church. This has been very exciting as new work has begun.

Many exciting activities and events are scheduled for this new year. A Youth Ministry Conference is scheduled at the Lawndale Baptist Church on October 20-21. Matt Brinkley, with "Reach Out Ministries" in Atlanta, Georgia is the conference leader. All youth ministers and their spouses are invited. A special training session for all youth workers in the association is also planned during the conference. Secondly, a Youth Volleyball Tournament will be held November 13-15 at the Greensboro First Baptist Church gymnasium.

Our Annual Youth Rally will be held on March 19, 1987 with an exciting program planned. A special Youth Fellowship is planned in August of 1987 with "Witness", the summer evangelistic music group sponsored by the Baptist State Convention of North Carolina. Our associational youth council officers will be attending a Youth Council Retreat at Camp Caraway in September of 1987.

Please read "The Challenger" each month for more information on these activities and more.

I really appreciate your cooperation and support. Thanks for the opportunity to serve. Your involvement and input are always welcomed.

Larry McElreath, Director

Church Secretaries Conference

The church secretaries continue to meet quarterly for lunch and a time of fellowship the first Thursday of March and June, and the second Thursday of September and December. We have had good attendance and several new secretaries have joined our group this year.

The December meeting was held at Florida Street Baptist Church in a lovely Christmas setting. Gloria Walker read a Christmas story and reminded us to remember the real meaning of Christmas. Helen Alstar, from Social Services, spoke at our March meeting which was hosted by Southside Baptist Church. June found us "south of the border" in Mexico. This imaginary journey to Mexico took place at the associational office. In September, we met at Southeast Baptist Church where an officer from the Greensboro Police Department presented a movie and talked about some precautions women can take for their own protection, as well as some tips on building safety.

Several of our secretaries attended The Professional Church Secretary Seminar led by Gail Hilligoss on March 10 at Sixteenth Street Baptist Church.

New officers for 1986-87 are : President-Monica Long; Vice-President-Gloria Walker; Secretary/Treasurer-Lucille Grubbs; Assistant Secretary/Treasurer-Jo Anne Betinni; Program Committee-Edith Underwood, Chairman, Doxy Kallam, Jennifer Dowler, Jean Warren; Communications Committee-Lucille Grubbs and Jean Warren; Benevolence Committee-Betty Priestly,

Chairman, Edna Carter, Natalie Barber.

We extend a special invitation to all church secretaries to attend our Church Secretaries' Conference each quarter.

Jackie Baxley, President

Royal Ambassadors

Piedmont Baptist Association Royal Ambassadors have enjoyed many areas of our program this past year. We have had success in our track meets, Congress, mission projects at Caswell, Mission Fairs, workshops, as well as in our moral and spiritual growth.

With 1986 behind us, we are anticipating a more active associational growth program in 1987.

Thank you for your support and prayers this year.

Bill Perdue, Director

BSU-BAPTIST STUDENT UNION

In Greensboro our Baptist Student Union program continues to involve many students in our weekday ministry as well as in the cooperative programming with the local Baptist churches which provide special ministries for college students.

Our choir, clown troupe, puppets and worship teams led several weekend youth retreats and worship services in churches across North Carolina. Each week we had students involved in missions projects and in March, ten of our students and the campus minister spent Spring Break in Washington, D. C. on a missions project.

During the 1986 summer, we had eight students who served as summer missionaries. These students are willing to come to churches to talk about their experiences and the teams are available to lead youth programs and church worship services.

BAPTIST CHILDREN'S HOMES

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

The new Homes and Hospital Offering, approved by the Convention last November, claimed the attention of our staff

during the first five months of 1986. The offering was received in May with fifty percent of that which was received going to the Children's Homes, twenty-five percent to the Hospital and twenty-five percent to the Retirement Homes. The goal was \$1.6 million. We encourage you to help promote the new offering in your church during May, 1987.

Update/Thomasville Area:

During the past year, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church. In addition, the children/youth on the Mills Home campus participated in January Bible Study, Vacation Bible School, chorus, Sunday School, worship, R.A.s, G.A.s, Acteens, drama and the Christmas cantatas. Many of the children/youth in care availed themselves to the opportunity of attending our denominational camps.

The Arts and Craft Festival honoring the youth of our state was held in May. Youth under 18 years of age were invited to participate in a juried art show that was judged by well-known artist Bob Timberlake. Plans are for a repeat of this festival in April or May, 1987.

Homecoming on the Mills Home campus witnessed more than 800 alumni returning to their "home."

The staff on the Mills Home campus annually plans an awards night during which time every child/youth in care is given a certificate of achievement. Every child/youth is recognized as having made progress in one or more areas of their life.

The staff, trustees, children in care and our president are grateful to the Baptists of North Carolina for their faithfulness as expressed through their financial support. Thirty-seven percent of our daily operating budget is derived from the Baptists of North Carolina. We believe our ministry is a fulfillment of the mission mandate of the Great Commission. The Baptist Children's Homes of North Carolina has existed for 101 years for one reason...to serve children and their families...in your stead...in Christ's name.

NORTH CAROLINA BAPTIST COLLEGES

MEREDITH - WAKE FOREST - WINGATE

1891 1834 1895

North Carolina is a recognized leader in Christian higher

education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest and concern, are listed for the benefit of the associations:

Campbell-During 1986, there is a special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

Chowan-Enjoys a national reputation as a two year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.

Gardner-Webb-On May 31, 1986, Dr. Craven E. Williams completed his tenure as president, begun in July, 1976. On June 1, Dr. M. Christopher White, Vice President of Elon College, became the 10th. president of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

Mars Hill-A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continues to be a major emphasis.

Meredith-"Thorough instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

Wake Forest-Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1834 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

Wingate-Looking toward its one hundredth anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century:

Vision for Excellence" campaign. Numerous building, renovation and beautification projects are planned, in addition to library expansion, faculty support and student financial aid.

Council on Christian Higher Education
BAPTIST STUDENTS AND BAPTIST COLLEGES BELONG TOGETHER

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation and by the terms of its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes - institutions, agencies, mission causes - with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency, school, and institution supported by Baptists.

In 1985, North Carolina Baptists placed over one million dollars in new trust agreements with the Foundation, making provision for the perpetual support of practically every Baptist cause. Endowment of Cooperative Program was a primary trust designation.

It is now possible through the Foundation for each Baptist to "Give it Twice", once to family, then to Kingdom causes. Through properly constructed trusts and wills, family members and friends can receive from one's estate, over a period of years, an amount exactly equal to, or even greater than the estate portion they would normally receive through an ordinary estate distribution. With the "Give it Twice" plan, after the family receives their portion, the entire estate principal is still intact, with the income from the entire estate available for Christian causes forever. If giving is exciting for the Christian, giving it twice is surely twice as exciting!

An indirect, but profound benefit of Foundation services to the local church has been the enhancement of individual stewardship growth and commitment. In nearly every instance, those who elect to commit to Kingdom use a portion of their estate assets, are during their lifetime more committed stewards. They enjoy their giving, and this happy, conscious stewardship dedication must be a profit for the church.

The Foundation seeks to inform Baptist people of:

1. Their responsibility as stewards to make provision for the future use of their resources.
2. The critical need experienced by all Baptist Causes for Endowment support - the ongoing, assured support of those who support them now.
3. Ways by which these realities may be met and accomplished.
4. Counsel in wise decisions for endowing any Baptist cause-for instance, the Foundation may discourage a trust for a cemetery fund if the church already receives more funds than are needed to maintain that cemetery.

NORTH CAROLINA BAPTIST HOSPITAL

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The Medical Center's \$150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave \$566,307 through the Cooperative Program and \$374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the

staff and the patients are most grateful to North Carolina Baptists.

BAPTIST RETIREMENT HOMES

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N. C., Inc., has sought to create a broader awareness of its services across the state. Implementing state-of-the-art communication techniques through use of the Biblical Recorder, local newspapers and direct contacts, the Homes is effectively making itself known to greater numbers of Senior Adults and to a concerned and responsive denominational community.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the Senior Adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston Salem.

With extended longevity, the Baptist Retirement Homes anticipates ministering to Senior Adults who will live longer and healthier lives. More choices need to be available to these individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of the Baptist Retirement Homes from August, 1985 through June, 1986:

- Sound financial management again eliminated the need to increase residential fees.
- Over \$900,000 of benevolent care was provided to residents.
- Of a projected 3.4 million dollars budget, the Cooperative Program and Homes and Hospital Offering provided \$785,000.
- Over 40 new residents were admitted to the Homes and Nursing Care.
- Construction and renovation of seven new housing units was completed in Willow Cove on the Winston Salem campus.
- Bill Stillerman became the new President of the Homes.
- Jack Hoyle was appointed Vice-President in Charge of Administration.
- Carolyn Bunting was appointed Assistant to the President for Admissions.
- Jim Saul was appointed Assistant to the President for Personnel.
- Don Peiffer was appointed Assistant to the President for Business Affairs.
- A video tape, "Not An Ordinary Person," produced by the Homes in 1985, won the M. E. Dodd Award for Video and Film

Productions.

- Residential and apartment living remain available. Requests should be made through the Assistant to the President for Admissions.

Under the focused and energetic leadership of Bill Stillerman, President of the Homes since November, 1985, the fine tradition initiated by past Presidents will continue. Yet, the Trustees and Administrative Staff of the Baptist Retirement Homes believe the participation of North Carolina Baptists to be critical for the successful growth of the Homes. By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

Carolyn Bunting, Assistant to the President for Admissions

THE BIBLICAL RECORDER

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The Biblical Recorder is a vital part of that Baptist family and as the official news journal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the Recorder indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than even then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians-fewer persons in North Carolina are members of any church than are not-and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The Recorder welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the 'Good News America, God Loves You' revivals and the paper was on the job, promoting and reporting on the crusades. As always, the Recorder will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase (\$96,000) in the cost of second-class postage during 1986, subscription rates will not be raised for the fifth consecutive year. Many of the other major state Baptist papers such as the Recorder have already found it necessary to raise their rates, but the directors of our paper

have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, \$5.00 per subscription for every resident family; Club Plan (four or more), \$6.00; and Individuals, \$7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

Let us pray and work together for the advancement of Christ's Kingdom as never before. Thank you for your support.

CAMPUS MINISTRIES

North Carolina Baptists have some form of ministry on forty-seven college or university campuses across the state. A growing number of churches are also finding creative and significant ways to minister with students.

The Convention employs eight persons with primary responsibility for ministry in a specific university setting. We join with Baptist colleges in funding campus ministries in our seven schools, and we join other Christian groups in providing work with student groups such as BSU, cooperate with university personnel in service to the institution, offer help to faculty and staff in personal and professional concerns and seek ways of helping people on the campus work more closely with area churches.

During the 1985-86 school year students involved in Baptist Student Unions and on Baptist campuses pledged and raised about \$50,000 for missions and ministry all around the world. A total of 150 collegians were trained in a week-long orientation period or are working under the direction of some department within the Baptist State Convention. New programs included semester service in associational and related ministries for a dozen students, a summer internship in ministry with the Baptist Joint Committee, and the sponsoring of a resource team of three students trained and utilized by youth ministers and associational leaders across the state.

The first "graduates" of our unique Campus Ministry Associate in Missions and Ministry program in Charlotte, Joy and Chris Gamble, were appointed and are serving as student evangelists in Taiwan under our Foreign Mission Board. Mark and Stacey Pennington are the 1985-87 ministers in this program, which seeks to serve in Charlotte and prepare persons for careers in student ministry on the mission field.

Work with volunteer ministries in several locations is continuing to develop as lay people, church staff members, college faculty persons (ie. David Clemmons at Davidson Community

College) and associational staff lead out in the exciting ministry. Convention staff provides consultation and encouragement. This spring, five student leaders from these BSUs joined 13 others in a week of special training at the Sunday School Board. North Carolina's delegation of 18 was the largest (and, we feel, the most outstanding) as students from across the nation were involved in this leadership program.

Special conferences for International Students, Campus Evangelism Training and Black Christian Collegians were offered during the school year. Staff, volunteers and student leaders planned and guided these events. A conference for High School Seniors, a leadership conference and a fall Baptist Student Convention involved over a thousand young people in Christian growth and challenge to stewardship of life.

Teams of students from BSUs and Baptist campuses all across the state led worship, planned youth revivals, sang or ministered through puppetry or clowning in hundreds of North Carolina churches. Students, under the leadership of ministers employed by your Cooperative Program dollars are growing and sharing their faith in many ways because you care enough to provide Baptist Campus Ministry! On behalf of these who, in God's power, are our future, thank you!

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA

If Christianity is authentic, then, it must be reflected in the daily walk of the followers of Jesus Christ.

Helping Christians to apply the moral demands of the Good News of Jesus Christ remains the top priority of the Christian Action League.

There is much to rejoice about what has occurred in the last twelve months, but it is also a time to renew our efforts for new battles on the horizon.

1. **OBSCENITY:** The state's new Comprehensive Obscenity and Child Protection Act has been met with unusual success. Some twelve months ago, law enforcement officials stated that North Carolina had some 750 hard core porno outlets making our state the nation's "smutt" capital. Today, only about 150 remain in operation, and most of these are facing porno charges with court cases pending.

For all practical purposes, convenience stores and other retail establishments have removed sexually oriented publications such as PLAYBOY, HUSTLER, PENTHOUSE, ETC. Others have placed the material behind the counter or behind "blinder" racks where they are not accessible to minors.

Video stores have cleaned their shelves of sexual explicit materials rather than face prosecution. Cable porn programs like the Playboy Channel have been

discontinued in communities such as Hickory, Raleigh, Chapel Hill, Durham, etc.

Indictments have been brought against ADAM & EVE--the largest porno distributor in the Southeast, located in Orange County.

The battle is not over for the cause of decency. The pornography industry and its sympathizers are already raising funds and seeking to build support to get our state's new obscenity law "watered down" in the 1987 legislature.

II. ALCOHOL (Liquor-Beer-Wine): The League remains the only organization in North Carolina providing assistance to communities involved in sighting our number one addicting drug. Referendums have been defeated in the following areas:

1. Scotland County defeated liquor-by-the-drink
2. Black Mountain defeated liquor-by-the-drink
3. Concord defeated liquor-by-the-drink
4. Manteo defeated liquor-by-the-drink
5. Rowan County defeated liquor-by-the-drink
6. Wayne County defeated liquor-by-the-drink
7. Pasquotank County defeated liquor-by-the-drink
8. Old Fort defeated beer-wine sales
9. King defeated an ABC liquor store vote

These victories were the result of strong, aggressive leadership on the part of caring people.

III. GAMBLING: In 1987, the church will probably face its strongest challenge yet from the gambling industry.

Pro-lottery forces have already stated that they will be back before the 1987 legislature with an all-out effort to secure a statewide lottery.

Pari-mutuel gambling forces have now come on the scene. A state-wide organization operating under the name, CAROLINA SPORTS ASSOCIATION, with offices in High Point are pushing this cause. Rufus Edmisten, the state's former Attorney-General, has been employed by the gambling forces to assist in their drive for pari-mutuel gambling. This group is publishing a newspaper, SPORTING JOURNAL, that is being sent to key business and industrial leaders throughout North Carolina to enlist supporters. Fund raising efforts are also underway. A speaker's bureau has been formed providing programs for civic and community groups on behalf of the gambling cause.

What will be the outcome of both efforts? Basically, the decision will be made in the November, 1986, General Election. If a few more pro-gambling legislators win seats in the legislature, the war is over. In the 1985 session, the lottery went down to defeat with a tie vote. That is how close the issue already is in our state.

Billy Sunday used to say: "The only thing worse than an empty voting booth is an empty head in the voting booth."

The position for the 1987 North Carolina House and Senate candidates on the gambling issues must be obtained and shared with the Christian community so voters will be informed when ballots are marked.

Plato said: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

MEGA CITIES FOCUS 1987-1991

INTRODUCTION

As a messenger to the 1986 Piedmont Baptist Association Annual Meeting, you are asked to consider prayerfully the Piedmont Baptist Association Five-Year Plan of Development. This plan consists of objectives, goals and action plans.

Following is the process by which this plan was formulated:

1. The Strategy Committee of the Piedmont Baptist Association recommended to the Executive Board, July 1986, five objectives for the Piedmont Baptist Association to pursue in the next five years. The objectives were the result of considerable study of community and church data. The Home Mission Board, SBC and The Baptist State Convention of North Carolina assisted in gathering and analyzing the data.

The purpose of the objectives is two-fold:

- (1) to help the Association in leading its member churches in proclaiming the gospel of Christ.
- (2) to provide the framework for the Associational Director of Missions, officers and program leaders in establishing goals and action plans.

2. Associational program and ministry directors suggested goals and action plans to fulfill the five objectives. The Director of Missions and the Chairman of the Strategy Committee compiled these suggested goals and action plans.

3. Objectives, goals and actions were reviewed by Home Mission Board and Baptist State Convention of North Carolina leaders. The purpose of this review was to give opportunity to national and state leaders to offer suggestions and to note those areas in which they may help in fulfilling the plans.

After the plan is approved in The Annual Meeting, the Director of Missions and Chairman of the Strategy committee will meet with leaders of the Home Mission Board and other Southern Baptist agencies, including the Sunday School Board, Woman's Missionary Union, Brotherhood and Stewardship Commission.

God has been blessing and guiding our Association in marvelous ways. We are entering a new era of advance in our Christian witness. If you have questions or suggestions as you are studying this plan, please let us know.

OBJECTIVES

1. Establish new churches and missions.
2. Maintain and improve present programs and ministries; and establish new programs and ministries.

3. Provide support to church programs through personnel and facilities.
4. Develop a positive Southern Baptist image.
5. Encourage stewardship of life and resources.

NOTE: Objectives are not presented in order of priority.

OBJECTIVE ONE

ESTABLISH NEW CHURCHES AND MISSIONS

More than half of the 240,000 people in our community are not members of any church. In addition, the population of our community is increasing at the rate of two percent per year. To be faithful to God's mission for us, we must reach as many of these people as possible. This will be done through both our present churches and through new churches and missions. The following goals and plans of action are recommended.

GOALS

1. To establish 10 churches or missions in the five year period.
2. To create: (1) an awareness among Southern Baptist church members of the and (2) a willingness to make sacrifices of time, talent and funds to meet this need.
3. To provide personnel and funding for an aggressive program of church starting.
4. To strive to reach persons of all races and of all socioeconomic levels.

PLANS OF ACTION

1. To employ a person to work specifically in New Work and Church Development. The position title would be Director of Church Growth. The two primary tasks of this person would be: New Work and Church Development. The responsibilities in New Work would include:

- locating specific areas in Guilford County that have the greatest need and potential for New Work,
- enlisting churches to sponsor New Work,
- promoting in our churches the need for New Work in our county

The primary responsibility in Church Development would be to help the churches develop their programs, resulting in growth and development of the churches.

For funding of this position, the Piedmont Baptist Association requests aid from the Baptist State Convention of North Carolina as follows:

	State	Association
1987	90%	10%
1988	80%	20%
1989	60%	40%
1990	40%	60%
1991	20%	80%
1992	0	100%

2. To request under the Praxis/New Work Corps Program two New Work teams to be funded by the Baptist State Convention of North Carolina.

3. To request two church planter apprentices, funded by the Baptist State Convention of North Carolina, Home Mission Board and Piedmont Baptist Association.

4. To begin increasing the associational funds to be used in New Work as follows:

1987	\$8,000 (\$5,000 increase)
1988	\$10,000
1989	\$15,000
1990	\$20,000
1991	\$25,000

5. To establish a subcommittee in the Church Extension Council to plan for fulfilling goal four. The Baptist State Convention of North Carolina and Home Mission Board can assist in this area.

6. To ask the Home Mission Board to provide the Laser Program to be funded by the Home Mission Board and the Piedmont Baptist Association.

OBJECTIVE TWO

MAINTAIN AND IMPROVE PRESENT PROGRAMS AND MINISTRIES; AND BEGIN NEW ONES

It is important not only to be concerned with the present, but also with the future. The following goals and plans of action reflect that understanding.

GOALS

1. To evaluate present programs and ministries, making corrections and planning to improve as needed.

2. To study carefully associational plans that have not been implemented. Decide to discard or to implement.
3. To continue studying areas of need with thoughts of planning to meet that need.
4. To set dates for implementation of approved ministries.
5. To develop an effective associational Church Training organization.

PLANS OF ACTION

1. To have the Associational Council evaluate present programs and ministries and report to the Association in 1987.
2. To appoint a committee to study the needs of migrants in Guilford County. If a ministry is warranted, the committee should bring a recommendation to the Associational Council for consideration and planning. A consultant from the Home Mission Board could help in this study.
3. To give direction in determining the priority of new ministries approved and in setting dates of implementation. All plans for actual implementation must be approved by the Executive Board.
4. To establish a Church Training program in each church by the end of the five-year plan. Thirty-three churches now report Church Training.
5. To encourage the associational Church Training Department to work closely with the associational Sunday School Department and Seminary Extension in planning.
6. To conduct a survey in the churches as to whether they would use BTN if the Association would install equipment and pay necessary fees. A consultant from the Sunday School Board could help in this survey, and the Sunday School Board could fund one-half of the cost the first year.
7. To aggressively promote and support Speakers' Tournament and Childrens' Bible Drill.
8. To develop a Church Training Team in the Association to help individual churches.
9. To develop Associational "M" Night into a showcase for new, innovative ideas in Church Training.
10. To request from the Baptist State Convention of North Carolina and Sunday School Board a consultant to help in plans of action four, seven, eight and nine above.

11. To provide a Home for Troubled Youth as tentatively approved by the Association in October 1984.
12. To provide a Home for Ex-offenders as tentatively approved by the Association in October 1984.
13. To establish an International House as tentatively approved by the Association in October 1984.
14. To establish Day Care for the Elderly as tentatively approved by the Association in October 1984.
15. To establish an Overnight House for Hospital Visitors as tentatively approved by the Association in October 1984.
16. To request from the Home Mission Board a consultant to give guidance in the planning and implementation of plans of action eleven through fifteen above.
17. To ask the Sunday School Board to provide training scholarships for the five-year period, 1987-91, at Ridgecrest for associational workers in Church Development, Sunday School, Church Training, Woman's Missionary Union, Brotherhood, Stewardship, Evangelism, Recreation, Music, Singles, Senior Adults, etc.

OBJECTIVE THREE

PROVIDE SUPPORT TO ASSOCIATIONAL AND CHURCH PROGRAMS AND MINISTRIES THROUGH PERSONNEL AND FACILITIES

Many churches need help in the area of church growth and development. Some associations have a staff member in this area. This person is usually called the Church Growth Director or Church Development Director.

Two years ago, the Piedmont Baptist Association voted to sell its summer camp, Lakewood. At the same time, it was voted that the Association build a Baptist Resource Center to provide facilities for the churches and Association and to provide some ministries to the community. Also approved was a motion that all proceeds from the sale of Lakewood be applied to the paying off of indebtedness on our present office building and cost of the Baptist Resource Center.

In keeping with the above decisions, the following goals and plans of action are recommended.

GOALS

1. To provide staff personnel who can specifically help the churches develop programs that will result in their growth and development.

2. To set a date for the completion of plans for the Baptist Resource Center.

PLANS OF ACTION

1. To call a Director of Church Growth.
2. To continue in operation the present committee engaged in planning the Baptist Resource Center. Encourage associational and church leaders to support this committee and request that plans be completed no later than July 1988.
3. To request help from the following in updating the Association's Media Center: Sunday School Board, Home Mission Board, Foreign Mission Board, Woman's Missionary Union, Brotherhood Commission, Stewardship Commission and Seminary Extension.

OBJECTIVE FOUR

DEVELOP A POSITIVE SOUTHERN BAPTIST IMAGE

The image that the public has of Southern Baptists is far from what it should be; many people do not look with respect upon us. Although many reasons can be cited for this image, we must accept some responsibility for much of the negative attitude expressed. Our image should be a vital concern to all of us; we can never be the witness to the world that God expects as long as such an image exists. The following goals and plans of action reflect the priority that our image should be.

GOALS

1. To foster a spirit of harmony and cooperation among pastors and churches of the Piedmont Baptist Association by developing an awareness of our Baptist heritage.
2. To use ACTS channel to improve community awareness.

PLANS OF ACTION

1. To provide training opportunities in the Association for pastors and laypeople to learn Baptist history with the objective of knowing who we are and how we have come to where we are.
2. To encourage and support the Woman's Missionary Union, Brotherhood and Church Training organizations in teaching missions so that our people will know what Baptists are doing in the world.
3. To use our Seminary Extension Council to plan a class in

teaching Life and Faith of Baptists to pastors and church staffs. Encourage the teaching of this course in individual churches.

4. To encourage local ACTS Board to help churches develop "spots" for ACTS channel which would highlight Southern Baptist beliefs and ministries.

5. To request from the Home Mission Board the help and advice of Margaret McCommon concerning communications in our Association.

6. To plan a conference on Conflict Management for pastors in 1987.

7. To plan with the Department of Association Development for State Missions Conferences in individual churches in 1988.

OBJECTIVE FIVE

ENCOURAGE STEWARDSHIP OF LIFE AND RESOURCES

Stewardship has been one of the strongest aspects of growth in the work of the Piedmont Baptist Association. The churches are willing to support viable ministries when appropriately informed. The potential for the financial support of future endeavors is unlimited.

With faith in God and the people of God, the Piedmont Baptist Association can make an unprecedented impact on this area through the cooperative and sacrificial giving of time, talent and treasure. The key to fulfilling this potential is the support of the pastoral and lay leadership of the local church for Associational projects and programs. Both the goals and plans of action in reaching those goals reflect this emphasis: to challenge the hearts of sister churches of the Association to reach beyond their individual fields through a planned growth in stewardship.

GOALS

1. To increase the sensitivity to God's call to cooperative ministry both within the local church and through the Association.

2. To promote stewardship of time, talent and treasure in the local churches.

3. To substantially increase the number of churches which participate in planned stewardship events.

4. To inform and encourage the community at large to participate in the ministries offered through the Association churches.

5. To enlist each church to increase its giving to the

Association by 1% each year until it has attained a giving level of 5% of undesignated receipts.

PLANS OF ACTION

1. To enlist and train Stewardship "A" teams which will meet with local Pastors and Stewardship committees for the purpose of informing them of the ministries and needs of the Association.
2. To produce graphics, visuals, and films which will interpret the ministries and programs of the Association.
3. In concert with the various program leaders of the Association, develop promotional material which will be readily understood by the churchmen and community leadership.
4. To continue the tradition of an Associational Week of Prayer which will include the receiving of funds for the Shubal Stearns Offering, a banquet for local church Stewardship leadership, and the dissemination of prayer requests for Associational causes and personnel.
5. To "fine tune" existing plans for the establishment of a foundation through which non-Southern Baptist corporations and individuals may contribute to ministries which serve the Piedmont area.
6. To sponsor a banquet for community and business leaders to inform them of the contributions the Association is making to the community.
7. To implement the Southern Baptist Convention and the Baptist State Convention of North Carolina stewardship calendars and programs through Associational publications and personnel. (E.G., such as "Planned Growth in Giving and Witnessing Lifestyle" emphasis.
8. To develop a "Resource Bank" of volunteers who have unique talents and gifts that can be made available to the local church and community. (E.G., professionals such as attorneys, doctors, teachers, or service persons such as carpenters, plumbers, etc.)

Mr. Samuel Green Wilson

Samuel Green Wilson, 1918 - 1987. Sam Wilson was a native of Greenwood, Mississippi. He was a Magna Cum Laude graduate of Guilford College, 1948 and a graduate of Harvard University with a Master of Business Administration degree, 1950. He served two tours of duty with the United States Air Force, 1942-1946 and 1950-1952. For many years he was assistant treasurer of Burlington Industries.

Sam was a member of the board of directors of the Community Health Services; served as president of the Coordinating Council of Aging; served as president of the Greensboro Symphony Society, and was a member of the Hamilton Lakes Civitan Club.

He was married to the Former Margaret Webb and had two children, Margaret Jesse and Peter Stafford.

Sam was an active, loyal, and effective member of the First Baptist Church of Greensboro. He was a deacon and served twice as chairman of the deacons. He was a Sunday School teacher, director, member of several committees. He served as vice-chairman of the trustees of the Baptist Children's Homes. He served as moderator of the Piedmont Baptist Association, and at the time of his death he was treasurer of the Association, which job was the last official job of any kind that he retained.

The familiar "Well done, good and faithful servant" are words that can be appropriately applied to Sam Wilson.

CONSTITUTION OF PIEDMONT BAPTIST ASSOCIATION, INC.

ARTICLE 1

NAME AND PURPOSE

Section 1. The name of the Association is PIEDMONT BAPTIST ASSOCIATION, INC.

Section 2. The purpose of the Association is to proclaim the Gospel of Jesus Christ by developing and promoting programs to assist the effectiveness of the churches in their mission in cooperation with the Baptist State Convention of North Carolina and the Southern Baptist Convention.

ARTICLE II

QUALIFICATION OF MEMBER CHURCHES

Section 1. A church admitted to membership in this Association shall be a Church which shall cooperate with the Southern Baptist Convention, be recommended by the Credentials Committee and whose membership shall consist of believers baptized by immersion only.

Section 2. Unless it shall be a member of this Association upon the date of adoption of this Constitution, a Church to be admitted as a member of this Association shall apply for membership by submitting a statement over the signature of its pastor and clerk that the Church intends to cooperate with the Southern Baptist Convention and the Association, and that its members have been baptized by immersion only. The Credentials Committee shall use as its basic guide in examining the Church the "Baptist Faith and Message" as adopted by the Southern Baptist Convention on May 9, 1963. Upon recommendation by the Credentials Committee of the Association and upon a vote of at least two-thirds of the messengers voting at a meeting of the Association, a church shall be admitted as a member. If the prescribed application is submitted before a meeting of the Association, a church may be admitted by the Executive Board of the Association under the watchcare and subject to formal admittance by the Association.

Section 3. Each member church shall retain its autonomy, but if the Credentials Committee of the Association shall determine that a member church has ceased to cooperate with the Southern Baptist Convention and/or the Association, or has admitted members not baptized by immersion only, upon recommendation of the Credentials Committee at a meeting of the Association, and

upon a vote of at least two-thirds of the messengers voting at such meeting, a member church may be expelled from membership in the Association. No person serving the Association in any capacity shall be qualified to continue in office if the member church of which he is a member is expelled.

ARTICLE III

MEETINGS OF THE ASSOCIATION

Section 1. The Association shall meet at least once per year. The Annual Meeting shall begin on the last Thursday of October unless the Executive Board of the Association shall decide upon a different date for the meeting and notify each member church at least thirty (30) days in advance of the different date.

Section 2. Special meetings of the Association may be convened by the Moderator if the Executive Board shall give prior approval and written notice shall be given to the member churches at least ten days prior to the special meeting.

Section 3. The representation of the member churches at Annual or special meetings of the Association shall be by messengers. Each member church shall be entitled to send to a meeting of the Association as messengers the pastor and not less than three (3) of its members and one additional messenger for each 200 members of that church above 300 members.

Section 4. Meetings of the Association and of the Executive Board shall be conducted in accordance with parliamentary rules of order as set forth in the then latest edition of Robert's Rules of Order.

ARTICLE IV

OFFICERS OF THE ASSOCIATION

Section 1. The officers of the Association are a Moderator, a Vice Moderator, a Clerk and a Treasurer. The Association may elect an Assistant Clerk, an Assistant Treasurer and a Parliamentarian if any is deemed necessary.

Section 2. The officers of the Association shall be elected at the Annual Meeting of the Association and shall assume their duties upon the adjournment of the Annual Meeting and hold office until they are replaced by the Association. No person may be elected Moderator for more than two successive terms.

Section 3. The duties of the officers shall include, but are not limited to, the following:

(a) The Moderator shall preside at the Annual or special meetings of the Association and at the meetings of the Executive Board.

(b) The Vice Moderator shall preside at the Annual or special meetings of the Association and at the meetings of the Executive Board at the request of or in the absence of the Moderator at any such meeting.

(c) The Clerk shall record the proceedings of the Association and the Executive Board at all their meetings and shall deliver all notices required by the Constitution or directed to be given by the presiding officer.

PROCEEDINGS

Piedmont Baptist Association
October 29-30, 1987

1. The 94th Annual Meeting of the Piedmont Baptist Association was called to order by the Moderator, Bill Claffey at 9:00 a.m. on October 29, in the Hunter Hills Baptist Church. A welcome was given by the host pastor, Dr. Ron Lynch. Dean Sisk, pastor of Stevens Memorial Church read Scripture and led in prayer. The session was then constituted by Lucille Grubbs. Alton McEachern, chairperson of the Program Committee, moved that the program as printed be adopted with any necessary changes. This was seconded and passed.
2. A congregational hymn, "Standing On the Promises of God", was sung, led by Jerry Watts.
3. The Division of Administration was introduced by Manuel Cunnup who recognized those making reports from the various administrative areas.
 - (1) Executive Board report was presented by Bill Claffey, who expressed his personal appreciation to the Executive Board and the churches that had hosted the meetings of the Executive Board and the Association for the past two years. He called attention to the report found in the Book of Reports and expressed his appreciation to Manuel Cunnup, retiring Director of Missions, for a job well done.
 - (2) Treasurer's Report was presented by Lee King who also expressed his pleasure in working with Manuel Cunnup. The printed report as found in the book of reports was highlighted by Lee and the churches commended for the financial support they continue to give to the association.
 - (3) Properties Committee - given by Sanford Smith as found in the Book of Reports. He reported that a contract had been signed with Kreigsman and Associates to handle the sale of the Lakewood property.
 - (4) Nominating Committee - given by the chairperson, Norman Harris, made one correction to the printed report found in the Book of Reports. The Seminary Extension Director has not been named. He expressed his appreciation to the members of this committee and to Manuel Cunnup for their work. He then made a motion that those nominated be accepted, there was a second and this was approved.
 - (5) Committee on Committees - given by the chairman, Gene Lawhorne, thanked the members and Manuel for the manner in

which they had worked. He called attention to the printed report found in the Book of Reports.

(6) Ordination - given by Michael Moore, presented the report in the Book of Reports as a matter of information.

(7) Constitution Committee - given by Vernon Williams, chairman of the committee. Several changes that would enable various committees to function a little more properly have been printed in the Book of Reports, distributed to the churches and read at the Executive Board meeting. He then moved that the proposed changes to the By-Laws be accepted and that the proposed changes to the Constitution be approved one year from today. After a second this was approved.

4. Memorials - A report was given by Sara Parker who led in prayer in remembrance of the deceased members in the past year. Bill Claffey reported that the Executive Board had requested that the minutes of the 94th Annual Meeting be dedicated to the sacred memory of Sam Wilson, Treasurer for the Association for twelve years. This was approved.
5. Director of Missions- Manuel Cunnup brought his report to the Association. He commended the churches for their support of the Association and asked those present to read the reports that are printed in the Book of Reports to become better informed on all that is being done in our Association. He stated that unless changes were made by the Home Mission Board, we would not be seeking a Church Growth Director, since they may not give the funding as originally indicated.
6. Credentials Committee- given by G. H. Vaughan, in the absence of the chairman. Mr. Vaughan stated that after several meetings with Cornerstone Baptist Church the Credentials Committee was recommending that this church come under the watchcare of the Association for one year, at which time the Credentials Committee would review the relationship and present them for membership in the Association at the Annual Meeting in 1988. This action was seconded and approved.
7. Mr. O. D. Martin, Baptist State Convention, commended the leadership of Manuel Cunnup, retiring Director of Missions, in this Association. He went on to say, that North Carolina Baptists were not new to Partnerships, having been involved in this for years. Once again an opportunity has been given for a "hands-on" experience in missions by working in relationship with the people of Sao Paulo, Brazil. Each Association in North Carolina will be given the opportunity to be paired with an Association in Brazil to further the work of our Lord. Sao Paulo is the largest industrial center of the country and has the

largest population in the country. Sao Paulo Baptists would like to see six hundred additional churches started in their city during the next five years. Associations wishing to participate in this partnership would be given the opportunity to help start new work, develop and expand the local church programs and train leaders. Mr. Cunnup then asked those present if they would like to see the Piedmont Baptist Association participate in this partnership. The initial cost would be \$2400 to send two people to Sao Paulo on a training mission in March. Our new Moderator should appoint a five member committee that would be in charge of the project. This matter can be handled during the next business session of this meeting.

8. David Clemons, Minister of Music, South Elm Street Church, led in the singing of "I Stand Amazed In The Presence".
9. Manuel Cunnup introduced several directors in the division of Church Development who presented their reports.
 - (1) Sunday School - Al Marguerat presented the Sunday School report and expressed his appreciation to the Assist Team and all those who had served this year.
 - (2) WMU - Shirley Barbee presented the WMU report and introduced the incoming WMU Director, Jill Foster.
 - (3) Brotherhood - Jimmy Workman presented the Brotherhood report and expressed his appreciation for the opportunity of serving five years as Brotherhood Director. He called attention to the report found in the Book of Reports.
 - (4) Music - Jerry Watts presented the Music report and thanked those present for the support and encouragement that has been given to the music program of the Association. He expressed the willingness of those serving on the Music Council to work with any church or choir that would ask their help.
 - (5) Evangelism - Billy Sloop presented the Evangelism report and thanked those present for the opportunity of serving as director of evangelism. He suggested that each church elect an Evangelism director to work with the Evangelism Council of the Association.
10. During the miscellaneous business, John Lane presented a motion that the Piedmont Baptist Association participate in the Sao Paulo Partnership. This motion was seconded and passed. The Moderator stated that a search committee has been appointed to seek a Director of Missions. The committee members are: Sanford Smith, Jimmy Workman, Bill Claffey, Jill Foster and Ed Roberts, these persons had been approved by the Executive Board members. Mr. Cunnup is willing to serve on a part-time basis during this interim period, for an annual salary of \$24000. A motion to approve this action, received a second and was

approved. Mr. Claffey stated that an additional Chaplain was needed at the jail to work with the sheriff department personnel. A motion was made, seconded and approved that the Personnel Committee secure a person to fill this vacancy. The report of registration was given, there were 159 persons present. Norman Harris, chairman of the Nominating Committee, stated that the duties of the Clerk are quite involved and they had been unable to find someone willing to take this position. A motion was made by Vic Dowd that the Constitution Committee study this position and during this interim period the clerical work would be handled by the office staff of the Association. There was a second and this motion was approved. Jim Fleet brought a motion that a discussion be held, at an appropriately called meeting, as to what an associational director should be. A second was given to this motion and after a period of discussion this motion was defeated.

12. Using the theme of the Association, "His Promises Shared", representatives came from several churches to share some of the exciting things occurring in the local church. (2) He introduced Hoa Vo, a Vietnamese from Charlotte and discussed the possibility of starting a Vietnamese ministry in conjunction with the Baptist State Convention who will put in \$3,600, a sponsoring church who will put in \$800 and the Association which will put in \$3,600. A motion was made to spend \$3,600 (already in budget). This was seconded and passed unanimously.

Frank Roberts of Friendly Avenue brought the idea of individual churches or the Association developing a ministry (homes type) to the aging. A motion was made by Norman Harris that a committee be appointed to study the feasibility of starting such a facility. This was seconded and passed.

A motion was made that the April meeting be on the 27th to avoid Easter Monday. This was seconded and passed.

Geneva Metzger made a request for Friend Families for international students.

A motion was made to adjourn. It was approved and after prayer the meeting ended.

The Executive Board of the Piedmont Baptist Association met at Northeast Baptist Church on April 27, 1987.

The Executive Board was called to order by the Vice-Moderator, Jimmy Workman. Dennis Stamey, pastor of Northeast, gave a welcome, read Scripture and had a prayer.

The Vice-Moderator recognized several new pastors and board members.

The Clerk presented the minutes of the January 19, 1987 meeting which were accepted as printed. Lee King presented the Treasurer's report.

New Business

Emergency Overnight Housing-Manuel Cunnup presented the report of Jo Clark's committee which was charged with the responsibility of developing a hospital house program. The hospital chaplains suggested a working arrangement with a hotel/motel first to establish need. The committee suggestion was that we set \$1,500 aside for this ministry. Vic Dowd made the motion that the Board affirm the action of the committee. This was seconded and carried unanimously.

Family Ministry-A. L. Parker brought a progress report from the Family Ministry Council. He stated that Lawndale Church has established an office for a family counselor who is available for consultation with members of other churches.

Baptist Center Committee-Wilson Stewart brought a report from the committee concerning the possibility of the Association purchasing the Southside Baptist Church as a Baptist Center, the cost of which would be \$400,000 plus about \$100,000 for equipment. His report was brought for information and to request the Finance Committee and Properties Committee work

together looking into the possibility of developing this property. He requested that a special Executive Board meeting be set for May 26 to hear from these committees. Bruce Anthony expressed concern from the Stewardship Council that we do not overextend ourselves financially to the detriment of ministry programs. Manuel Cunnup suggested that the Stewardship Council be included in discussions in the next month. Wilson Stewart moved that the Stewardship, Finance and Properties Committees be asked to further investigate this and report back to the Executive Board on May 26,, 7:30 p.m., at Southside Church. This vote was approved.

Director of Missions—Manuel Cunnup made his report, first referring to the report of the Nominating Committee in the agenda. He announced that our Probe (survey of area) may be delayed because the Home Mission Board could not supply consultants at this time. The Church Extension Council is being appointed and will be looking for a Church Growth Director. The Mega-Cities Focus is on schedule, with a goal to establish two new churches every year for the next five years. The Vietnamese Ministry is moving ahead. He reported on his trip to the Foreign Mission Board Commissioning Service in Lexington, Kentucky, which Greensboro will host next April in the Coliseum. A committee is being set up to study rest home needs in the area.

The meeting was adjourned with prayer.

A special called meeting of the Piedmont Baptist Association was held on May 26, 1987 at the Southside Baptist Church.

The purpose of this special meeting was to hear a recommendation from the Baptist Center Committee concerning the purchase of the property of Southside Baptist Church.

The Executive Board was called to order by the moderator, Bill Claffey. Rev. Steve Sells, pastor of Southside Baptist Church led in prayer.

Mr. Claffey recognized two new pastors that have moved into the area since the last Executive Board meeting.

Mr. Claffey reminded the members the purpose for the meeting and introduced Wilson Stewart, chairman of the Baptist Center Committee. Mr. Stewart thanked the members who were present. He then introduced the members of the Baptist Center Committee: Wilson Stewart, Carl Myatt, Sandra Baldwin, Sara Parker, Burton Wilbur. He reminded those present of the material that had been mailed concerning the purchase of this property. He addressed one problem, access from Freeman Mill Road perhaps being changed since plans for highway 220 are being changed to re-route to I-40 and connect with I-68. Financing could be done by forming a "2000 Club", finding 2000 individuals giving \$1.00 per week for three years, the sale of the present office building and the

Lakewood property. He then submitted a motion that the Southside Baptist Church property be purchased at a cost of \$400,000. The motion was seconded by Bob Duncan.

Mr. Claffey called upon the Properties Committee, for a report concerning their recommendations of this property. The chairman of the Properties Committee, Sanford Smith, was out of town and G. H. Vaughan gave this report. Committee members are: Sanford Smith, James Allred, Ed Rash, Ronald Roe, G. H. Vaughan. A printed report was read (see attached).

Mr. Claffey called upon the Finance Committee, for a report concerning the financing of this property. Jimmy Workman gave the report in the absence of Bobby Matthews, chairman of the Finance Committee. Members of this committee are: Bobby Matthews, Jimmy Workman, Sam Wilson, Lee King, Ed Satterfield, Pete Boone, Monica Long, Jim Kincaid, Jo Straughan, M. L. Lawson, Wilson Stewart. The committee felt that if the Association could secure 2000 individuals to initiate the "2000 Club" that financing would be feasible for the purchase of this property.

Mr. Claffey called upon the Stewardship Council for a report concerning this proposal. Bruce Anthony, chairman of the Stewardship Council, introduced the members of this council. Bruce Anthony, Hugh Mann, Ward Burch, Pete Boone, Jo Clark, Lucille Grubbs and Wofford Boyd. He asked that the Stewardship Council be excused from a fund raising committee. He further stated that the Association had never reached the budget nor met the goal of the Shubal Stearns Offering for the on-going budget.

After a lengthy discussion, Wilson Stewart asked that the motion be tabled until the next Executive Board meeting to give the Baptist Center Committee adequate time to find answers for the questions that had been raised. This motion was seconded by Richard Poindexter. The vote on the motion to table was unanimous. The meeting was adjourned.

The meeting was dismissed in prayer.

The Executive Board of the Piedmont Baptist Association met at Rankin Baptist Church on July 20, 1987.

The Executive Board was called to order by the moderator, Bill Claffey. Richard Poindexter, pastor of Rankin, gave a welcome, read Scripture and had a prayer. Mr. Claffey told the assembled group that the clerk, Larry Austin, had submitted his resignation, having been called to Pitts Baptist Church in Harrisburg. He asked the members to read over the minutes and then called for any corrections, none being forthcoming, the minutes were approved as printed. Lee King presented the Treasurer's Report.

Mr. Claffey asked that first time attendees, stand and introduce themselves.

Sanford Smith, chairman of the Properties Committee stated, that a request had been received from New Beginnings, to allow them to use the Association office building to hold worship services until more suitable property could be located. He further stated that the buildings at Lakewood had been padlocked and that a contract had been signed with Kriegsman and Associates to market the property.

Vic Dowd was then called upon. He read a letter from Manuel Cunnup, who was vacationing, that announced his retirement effective December 31, 1987 (see attached). Mr. Dowd then moved that we accept the resignation of our Director of Missions with regret and that we request that our Clerk write him a letter expressing our sincere appreciation for his effective leadership over the years he has served his Lord as our Director of Missions. After a second, the motion was unanimously approved.

Bruce Anthony made a motion that a Nominating Committee composed of the previous moderator, the present moderator and the incoming moderator present to the Executive Board at the next meeting the names of five individuals to comprise the Search Committee. He amended this motion that these three men (Sanford Smith, Bill Claffey, and Jimmy Workman) serve on the Search Committee and seek two additional members. Rev. Morris seconded this motion, and it passed unanimously.

Mr. Claffey stated that he had heard nothing further from Wilson Stewart concerning the Baptist Center building.

Bruce Anthony made a motion that the Personnel and Finance Committees serve as the Steering Committees to find a tangible way to express our appreciation to Manuel and Ruth for their services. This motion was seconded and approved.

A motion was made to adjourn and the meeting was dismissed.

DIRECTOR OF MISSIONS

The theme for this year's annual meeting is "His Promises Shared." As we digest the reports submitted by our churches and the leaders of our association, it becomes evident that we have, as churches and association, sought to share the promises of God.

Considerable gain has been noticed in the giving of our people. Total gifts to the churches was \$12,880,153 a 40% increase over the previous year. Our churches increased their giving to the Cooperative Program by \$115,000 over the previous year and increased gifts to the association by \$36,562. Total mission giving was \$2,107,549, or \$838,219 more than the year before. This reveals a desire among our churches to reach out to the world and share the promises of God.

Associational reports also reveal the desire of the people

to share the promises of God. The year ended with total receipts of \$249,388.87 and \$81,602.27 cash and designated funds for starting the work of the new year.

Two exciting new ministries have been initiated this year. The Vietnamese ministry and the Visitor Crisis Ministry at our hospitals.

The Southside Baptist Church, Piedmont Baptist Association and Baptist State Convention are in cooperative support of the Vietnamese Mission. About forty-five attend this mission. In addition the association is providing funding for the resettlement of Vietnamese from Thailand and the Philippines. Thus far we have sponsored eleven.

A report on the Visitor Crisis Ministry from Jo Clark is in the Book of Reports. This is an exciting ministry and shows great potential.

Hopefully, you will read the reports in the Book of Reports. These show that the Piedmont Baptist Association is moving forward in sharing the promises of God. God continues to bless and guide us in our work.

But, this association has just begun in sharing the promises of God. There are great things yet to happen. The potential of this association right now is beyond our ability to imagine. My vision is that this association would become a model-giving hope and guidance to other associations in our convention while reaching out to the needs of "a hurting Piedmont."

As I face the thought of retirement in just two more months, I do so with mixed emotions. At first I am saddened as I think of leaving my responsibilities in this grand association. The memories are myriad of good things happening. I have enjoyed so much being your Director of Missions. I have the greatest love, admiration and respect for all of you for the way you have responded to the many needs in Guilford County.

The officers, directors and workers have been zealous in their acceptance of responsibilities and commitment. Together we have had visions and dreams and we have seen much realized.

The office staff and chaplains have been marvelous in their commitment to the work of the association. I shall be eternally grateful to them.

I believe in you—that you will not give up on the momentum that is now yours.

Also, as I think of retirement, there are glad and happy thoughts looking forward to what God will lead Ruth and me to do.

Our prayers and very best wishes go to you. Please remember us in your prayers.

Manuel Cunnup

Piedmont Baptist Association
Greensboro, North Carolina

We have examined the statement of cash receipts and disbursements of Piedmont Baptist Association for the year ended September 30, 1987. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the statement of cash receipts and disbursements is a summary of the cash activity of the Association and does not present transactions that would be included in financial statements of the Association presented on the accrual basis of accounting, as contemplated by generally accepted accounting principles. Accordingly, the accompanying statement is not intended to present financial position or results of operations in conformity with generally accepted accounting principles.

In our opinion, the accompanying statement presents fairly the cash receipts and disbursements of Piedmont Baptist Association for the year ended September 30, 1987.

STEWARDSHIP COMMITTEE

We are grateful for the assistance of a very fine Stewardship Council this year: Pete Boone, Wofford Boyd, Ward Burch, Jo Clark, Lucille Grubbs, Lee King and Hugh Mann. Their combined efforts contributed to another record year in giving to Association Missions on the part of our forty-nine churches. We are happy to report that \$208098.31 was received, a 1% increase over a year ago. World wide causes through the Cooperative Program were enhanced by a record giving of \$879968., representing a 1/2% increase over last year. The following churches are to be congratulated as they are the top five churches in total gifts to the Association:

1. Greensboro First	\$21,800.17
2. Friendly Avenue	\$15,293.12
3. Summerfield First	\$11,278.15
4. Pleasant Garden	\$10,455.27
5. Lawndale	\$ 9,767.00

The Honor Roll of churches (those giving at least 5% of their undesignated receipts to associational missions) includes the following:

Central	Eller Memorial
Jessup Grove	Summerfield First
Sumner	Towe Memorial

"Taking the Promises of God to a Hurting Piedmont" was this year's theme for the Shubal Stearns Week of Prayer for Piedmont Baptist Association. It was highlighted by a well-attended banquet at Florida Street Baptist Church. The program was built around "The Wizard of Oz" and featured testimonies by several persons working in the various ministries of the Association. This year's Shubal Stearns Offering reached \$14,233.89.

The Associational Stewardship Director also attended an intensive stewardship training seminar at Caraway, sponsored by the North Carolina Baptist Convention Department of Stewardship.

The Stewardship Council wishes to go on record in expressing its appreciation for the fine leadership of Rev. Manuel Cunnup, Director of Missions. He has been a superb resource person, attending council meetings and contributing both enthusiasm and expertise to our planning. We will miss him greatly.

Bruce Anthony, Director

CREDENTIALS COMMITTEE

During the year, your Credentials Committee has met a number of times with the representative of the Cornerstone Church and has reached a decision to be presented at the October Executive Board Meeting and contingent on the decision of the Executive Board to take the decision to the 1987 Annual Meeting.

The Pleasant Ridge Church has requested to remain under the watchcare of the Association.

The New Beginnings Church has applied for affiliation with the Association and your Credentials Committee has had an initial meeting with them and recommendations will be forthcoming from your Credentials Committee.

ORDINATION COMMITTEE

The purpose of the ordination council is to serve the churches of the Association in their process of ordination of the called candidate to the gospel ministry.

The committee convenes upon the need of a requesting church to serve as an examination and advisory council. Following the strengths of the polity of Baptists arising from the doctrine of the priesthood of the believer and the autonomy of the local church, our recommendation to the church is not binding.

The church may choose to follow your counsel or ignore our counsel. The three options facing the church is to ordain, not ordain or postpone until further development of the candidate and ordain at a later date.

The council organizes it's examination of a candidate around the general subjects of (1) conversion and call (2) doctrinal beliefs (3) personal life (4) Baptist Polity (5) lifetime goals of service.

Upon the completion of the examination, a letter of explanation and recommendation is written to the requesting church. Further procedure then rests in the hands of the ordaining church. The ordination is an act of the local church, not the association, or denomination.

The committee examined two candidates during the associational year. For one, the committee recommended

ordination and the church proceeded. For the other, the committee recommended postponement. The action of the church is not known.

The above is not to be interpreted that only two persons were ordained to the gospel ministry in the Piedmont Baptist Association this past year. Many churches ordain without use of the associational council.

PROPERTIES COMMITTEE

The Properties Committee was called upon to inspect the Southside Baptist Church and to report on the feasibility of purchasing this property for associational purposes. The report of the Committee was submitted to the Executive Board of the association. The purchase of the property was declined by the Executive Board.

James Allred secured the kitchen at Lakewood with hasps and locks and an effort will be made this winter to sell the contents. Mr. Ray Barnwell of Southeast Baptist Church repaired the lawnmower.

We contacted Mr. Roy Allen of Kriegsman & Associates Inc. to sell the Lakewood property. It is on the market for \$240,000. To date we have an offer and are presently negotiating with a prospective buyer.

CHURCH SECRETARIES CONFERENCE

The PBA Church Secretaries' Conference meets quarterly the first Thursday of March and June and the second Thursday of September and December. Our meetings are a source of spiritual renewal, fellowship, and encouragement to each other.

Our Christmas meeting in December was a little different as we met at Haybles' Hearth. Evelyn Anderson told a beautiful Christmas story and Edith Underwood gave each lady a Christmas craft kit. The March meeting was held at Pleasant Garden Baptist Church. We stepped into Spring as we entered their beautifully decorated fellowship hall. Helen Vaughan, a member of Greensboro First Baptist Church and Director of the Crisis

Pregnancy Center, spoke on the work of the Center. A "Country Hoe-Down" was the scene at the association office for our June Meeting. Wofford Boyd, PBA Chaplain to the Greensboro Police Department, shared information about the Expanded Annuity Plan. We had a chance to laugh at ourselves in September as we met at Florida Street Baptist Church. Their puppet ministry showed us "A Day In the Life of Lucille-File A Copy".

Several of our secretaries plan to attend the Church Secretaries' Conference at Caraway November 2-3.

We extend a special invitation to all church secretaries to attend our conference each quarter. Our next meeting will be December 10, 12:15 p.m., at Sixteenth Street Baptist Church.

SUNDAY SCHOOL

"Something old, something new, something borrowed, something blue." That may not sound like Sunday School but it seems to characterize the 1986-87 Sunday School year for Piedmont Baptists.

First of all, the idea and the reality of providing assistance to churches is nothing new...it's as old as the association. The **Associational Sunday School Improvement Support Team** has helped many churches this year through direct consultation, referral, and on-site conferences. The annual **VBS Clinic** was an exceptional one, and the quarterly **Sunday School Directors Meetings** were very helpful to pastors and directors alike. Even our **Associational Training School** in October took us back to the basics of old. The old has served us well this year. The new was seen and heard in our first ever **Associational Sunday School Revival** in August with Leon Kilbreth. Nearly 1800 Piedmont Baptists came together for inspiration, insight, and renewal at Hunter Hills. There are some new faces on the ASSISTeam, too. Carolyn Boyd (VBS), Larry Smith (Preschool), and Pamela Medford (Children) have just come on board and will be great assets to our churches. With the addition of Kevin Pearce, our association becomes one of the first in our convention to add the new position of College/Singles Leader.

The theme of **Touch Lives, Change People** and goal of **reaching ten million for Bible Study by 1990** is a thrilling new challenge. The bountiful fruit and excitement of the Enlargement-Improvement Campaign of 1985 has prompted us to begin planning a new campaign for Spring 1989: **A Sunday School Enrollment-Training Clinic**.

The work of the ASSISTeam is dependent upon people - people

who give their personal time and energy to serve on the team and people of our churches who "loan" them to the association. There have also been some borrowed facilities for which we are grateful, designated with an asterisk below.

John Mark Batchelor	Teaching Improvement	Guilford *
Carolyn Boyd	VBS	Brandt Oaks
Mark Harper	Youth	Parkway
Al Marguerat	Sunday School Director	Lawndale *
Pamela Medford	Children	Florida Street
Kevin Pearce	College/Singles	Immanuel
John Setchfield	Adults	Greensboro First *
Larry Smith	Preschool	Greensboro First *
G. H. Vaughan	Outreach	Clifton Road

Many thanks to these individuals and churches for their contributions. We also gratefully acknowledge the fine leadership and contribution of Dennis Stamey, Larry Whicker and Cindy Vaughan.

As for something blue...the sky is the limit! Your ASSISTeam is committed to being the best we can be. We join with our Lord and proclaim that "with God, all things are possible"! Let's make 1987-88 a year when Piedmont Baptists touch more lives and change more people than ever before.

Al Marguerat, Director

MUSIC

Music has been called the universal language, and the Scriptures speak pointedly to the role of music in worship and general life. It has soothing powers and the ability to reach the local church. We feel that our responsibility on the associational level is to offer activities that will enhance and nurture the local church program.

During the past year, our music council has worked to provide activities, retreats and workshops for the churches of our association. Our goal is to reach into as many churches as possible as we share the gospel of Christ through music. If we can help others as they use their talents and musical abilities, then we have accomplished our goal.

We welcome the opportunity to serve our churches in any way we can and look forward to an even greater upcoming year. We thank every church that has supported our activities and hope that more will be able to be involved this year.

Our prayer is that through our work, Christ will be glorified through the sounds of His praises.

Jerry Watts, Director

WOMAN'S MISSIONARY UNION

"Gifted to Serve-Called to Act" has been the emphasis for the 1986-87 year for WMU.

We have been encouraged to identify our gifts and then give them in service and ministry to reach out to others and share with them the love of our Saviour.

For your WMU Council this process began with training and inspiration through WMU Week at Ridgecrest. Then we attended the Association Officers Clinic at Caraway.

Training of officers and leaders of all age-levels of WMU has been offered in a manual study held at Rankin Baptist Church and the Annual Leadership Conference at Rolling Roads Baptist Church. Thirty-nine came to earn awards at the manual study and more than two hundred attended the Leadership conference.

The World Day of Prayer Program was attended by two hundred twenty-five at Hunter Hills Baptist Church and an offering of \$219.00 was sent to Baptist World Alliance.

Three hundred nineteen came to the WMU Focus Week Banquet at Florida Street Baptist Church. Diane Keck Daniels, missionary to Ecuador, gave a most inspiring message.

Mrs. Dot Allred, President of North Carolina WMU, was the keynote speaker for our Annual Meeting held at Sixteenth Street Church on March 17, 1987. Some two hundred fifty were present for the meeting. Music was provided by the Acteens of Good News Baptist Church.

The Prayer Retreat in July was held at Central Baptist Church in Oak Ridge. Mrs. Paul Early, former missionary to the Caribbean was the leader. In all, approximately one hundred fifty attended the afternoon and evening sessions.

Baptist Young Women have increased in membership and participation during the year. The Spring Banquet was perhaps the largest and most inspirational effort in recent years. Sedgfield Baptist Church was recognized for their outstanding achievement this year in BYW's.

GA's, Acteen and Mission Friends have participated in activities including day camps, "GA-tivities", olympics, sleep-overs, and mini camps. Their leaders have enjoyed times of sharing and training at "How To Workshops", salad suppers and book studies.

As we look forward to the 100th anniversary of WMU-SBC in 1988, preparations are being made to celebrate through prayer, retreats and studies of WMU History. In conjunction with this, an Institute for Teachers of WMU History was held at Friendly Avenue Baptist Church.

We have participated in many areas of ministry throughout the year. A generous gift of money was sent to area director of missions, Rev. Ray Wise, to be used in securing an office,

furnishings and equipment needed in his work. We also participated in contributing to the travel expenses of Rev. James Lacewell of Good News Baptist Church on a volunteer mission trip to Belize, South America.

It was our privilege to contribute toward the work of Derwin Johnson through Baptist Student Union in Bemidji, Minnesota.

We were involved in ministry to the inmates of our county jail, Sandy Ridge Prison and Central Prison for women in Raleigh, international students and Vietnamese refugees.

It is our hope that not only the women, young women, girls and pre-schoolers participating in the missions programs use their gifts in service, but that all our membership in all our churches will be involved as we strive to reach others for Christ.

Thank you for the privilege and opportunity to serve as your WMU Director.

Shirley Barbee, Director

BROTHERHOOD

I first became your associational Brotherhood Director in October, 1982. These five years have been challenging and inspirational ones for me. I have made some of my closest friends through the associational Brotherhood during this time. I have had an opportunity to witness firsthand the commitment, care and love for our Lord and for our fellowman that the men and boys in our churches throughout the Association share.

Some of the things which have occurred in our associational Brotherhood, which I hold dear, are as follows: (1) Our Brotherhood dinner meetings. What great fellowship we have had. (2) Our workshops have been great vehicles for getting out the information that our men and boys need in successfully carrying on their programs in their own churches. (3) Our men and boys are very responsive in helping when there is a special need for ministry or missions. I think of the great response we had in gathering food and necessities for those families stricken by tornadoes in the Eastern part of the state in 1984.

At the present time and in the immediate years ahead, our association will be reaching out as never before to serve our churches and our community in meeting the tremendous needs that exist around us. These will present exciting challenges and opportunities for our associational Brotherhood to become involved in.

Brother Ed Roberts will be taking on the position of associational Brotherhood Director this year. I think we have an outstanding leader in Ed Roberts, and I believe that he will lead our associational Brotherhood through some great years

ahead.

My thanks to Bill Perdue and his associates for their faithful service over the last five years in the all important associational RA Program.

YOUTH MINISTRY

The 1986-87 year was a very exciting year for the Youth Ministry of the Piedmont Baptist Association. There was a good spirit of cooperation and enthusiasm among our youth workers as almost 300 young people made decisions for Christ!

Monthly youth ministers' meetings have been held throughout the year on the second Monday of each month. A variety of programs have been offered to the youth ministers to help them in their ministries. Attendance at these meetings has gradually increased during the year.

The youth council of the association has also been active during the year. This council is made up of youth representatives from each of our churches. Their input and help has provided an avenue for the youth themselves to be involved in the planning process of the total ministry.

On October 20-21 our first Annual Youth Ministry Conference was held at the Lawndale Baptist Church. Youth ministers and their spouse as well as all of our lay workers in youth ministry in the churches participated. There was a very good attendance and response to this training conference.

Our first Annual Piedmont Baptist Association Youth Volleyball Tournament was held November 13-15. There were 14 teams that participated from various churches. Lawndale Church won the tournament and Pleasant Garden Church finished second. Good sportsmanship was the main emphasis during the tournament.

The second Annual Piedmont Baptist Association Youth Rally was held on March 19 at the First Baptist Church of Greensboro. There were about 900 in attendance and the program was well received. There were 43 young people who publicly made professions of faith in the Lord Jesus Christ and 175 who recommitted their lives to the Lord at the rally.

A Youth College Night was held on March 23 at the Friendly Avenue Baptist Church. All of our N. C. Baptist Colleges and University representatives shared with our young people during this special event.

A Summer Youth Rally was held on July 27 at Emerald Pointe. The student evangelism team, Witness, sponsored by the N. C. Baptist State Convention, provided our program. There were approximately 1,000 people who attended this rally. There were 58 young people who publicly recommitted their lives to the Lord

and 6 who made professions of faith in Christ. Youth workers from our associational churches served as counselors for this event.

I really appreciate the cooperation and support from all of our churches, pastors and youth ministers. Without you, this past year's success in our associational youth ministry would not have been possible. I look forward with great anticipation to another great year! Surely, the Lord has blessed our efforts!

SENIOR ADULTS

This has been another rewarding year for me as I worked with the Senior Adults in our association. The blessings have been many. I wish every one could experience the excitement as we have visited so many places around our land.

After walking a rather difficult path to Inspiraton Falls in Yellowstone, an eighty year old was heard to say, "It was worth the trip to see this."

There are so many things to report that I could not begin to tell it all: the good meals and fellowship at our quarterly meetings, the white elephant gifts, the bingo games, the Bible Trivia games. There have been many memorable times. Of course, there is the sadness as some of our dear ones leave us for awhile; but then the assurance that we will be together again keeps us going.

I do hope that church leaders will recognize the real potential that is available in our Senior Adult ranks and will not overlook them as they seek out people to serve in our churches.

I want to thank all of those who served on our Senior Adult Council and those who worked with me in keeping our group together.

Herb Meadows, Director

EVANGELISM

The primary function of our Evangelism Council is to assist our churches in leading people to know Jesus Christ as Lord and Savior. In seeking to achieve this, we feel that it is important to offer opportunities of Evangelism Rallys, training through workshops and seminars and special training to equip our pastors and staff with the best methods available for reaching people with the gospel.

Some of the events held this year were: The 1987 Statewide

Evangelism Conference held here in Greensboro, February 2-3. Speakers such as Perry Sanders, Jerry Vines, Tom Elliff, Jack Taylor, William Shaw and Robert Hamblin challenged our hearts with the Word of God.

The Youth Evangelism Conference held in the Greensboro Coliseum on July 31 with Dwight "Tke" Reighard was well attended with youth from all across North Carolina. Hundreds responded to the invitation to make decisions for Christ.

On August 26 we had an Evangelism Rally at Hunter Hills Baptist Church with an estimated 12 to 13 hundred people in attendance. A great one hundred voice choir led by our associational Music Director, Jerry Watts, set the stage for worship. Dr. Bailey Smith challenged us to share our faith and try to win the lost for Christ. Over one hundred people committed themselves to sharing the plan of salvation with someone by October 1.

On Monday, September 28, Mr. Bob Campbell of the Home Mission Board led a group of pastors and laymen in an Evangelism Workshop at the associational office. Our goal is to have a Director of Evangelism in every church in the Piedmont Association to assist the pastor in reaching people for Christ.

In March your Evangelism Director attended a Masterlife Training Seminar led by Dr. Avery Willis and was certified as an instructor. I would encourage every pastor to take advantage of the opportunity to attend one of these seminars.

Two members of the Evangelism Council, George Rose and Darryll Hester, attended a Lay Evangelism Teacher Certification School in Raleigh on September 21-22. They will be leading our pastors in a Lay Evangelism School and they in turn will train members of their church.

Also our pastors and staff attended a Regional Evangelism Conference at the Cutting Board Steak House in Burlington, NC on October 13. This conference was led by J. W. Hutchens and Richard Everett of the Baptist State Convention Evangelism Division.

I would like to thank our Director of Missions, Manuel Cunnup, for his leadership and commitment to evangelism. Also to our pastors who served so faithfully on our council this year:

Rev. George "Bubba" Rose, Reedy Fork Baptist Church

Rev. Darryll Hester, Hillcrest Baptist Church

Dr. Ron Lynch, Hunter Hills Baptist Church

Rev. James Lacewell, Good News Baptist Church

Rev. Larry Thompson, Central Baptist Church

Let us work together so we can reach our goal of sharing the gospel with the whole world by the year 2,000.

Billy J. Sloop, Director

RECREATION

Due to limited recreation facilities, our recreation programs have been limited to adult programs generally in cooperation with the Greensboro City Department of Recreation.

The following recreational activities were provided this year:

Softball

Twenty-two teams from PBA churches participated in the Adult Men's League and twelve teams from PBA churches participated in the Women's League. Gate City Baptist Church won the regular season championship and the league tournament. Hunter Hills-Red City Baptist won ASA qualifying tournament and represented the Association in the State ASA Tournament in Cary, North Carolina on August 7 and 8.

On August 21-22, Gate City Baptist Church hosted the State Baptist Men's Regional Softball Tournament at their recreation field on Hilltop Road. Twelve churches participated in the Regional Tournament. Gate City Baptist Church won the tournament championship with First Baptist Church of Summerfield finishing second.

On August 28 and 29, Gate City Baptist Church and First Baptist Church of Summerfield represented the Association in the State Baptist Men's Tournament in Gastonia, North Carolina. Gate City Baptist Church finished runner-up and on September 18-19 represented the State of North Carolina at the National Baptist Men's Tournament in Memphis, Tennessee.

Golf

On October 10, 1987, the third annual PBA Invitational Golf Tournament was held at the Bel-Aire Golf Course. Thirty-six teams from twenty-two PBA churches participated in the tournament. First Baptist Church, Greensboro won the first place team championship with Rankin Baptist Church finishing second and Rocky Knoll third.

Basketball

During 1986/87 the Adult Men's Basketball League was conducted in cooperation with the Greensboro City Department of Recreation. Eight teams from PBA churches participated in the league. Gate City Baptist Church won the regular season league championship.

Recreation in a Christian environment can often serve as an effective ministry for our associational churches. Pray that we will be able to expand our programs in 1987/88.

Randy Minix, Director

CHAPLAINCY MINISTRY

GUILFORD COUNTY LAW ENFORCEMENT CENTER

Beauford Smith

Year after year God continues to bless the ministry at Guilford County Law Enforcement Center. The churches of the association are the vital link that carries on this effective work of helping people in their spiritual and personal needs.

It has been a great joy for me this year to have worked with Chaplain Reginald Cook. He is a worthy co-laborer. Many times we have seen people accept Jesus Christ as Saviour, while many others have rededicated their lives to Christ. We rejoice because we know it's not us but only God's great love through Jesus that saves.

There is not enough space and time to write about all the good things that have happened in the Jail Ministry this past year. But there are two incidents I want to tell about.

One day an inmate said he hated the officers who arrested him. After sharing the plan of salvation, he accepted Christ as Saviour. As I started to leave, he said, "Preacher, I don't hate the officers anymore; I am going to pray for them."

Another inmate accepted Christ and after he was released, he looked up the two officers and apologized to them for acting the way he did when they arrested him. God helps people reconcile their wrong.

Another important part of the Chaplaincy Ministry is working with the staff. We were able to counsel with many of the officers at the Law Enforcement Center. They have a very demanding job and many of the officers just need someone to talk to. We are often told, "We are glad you are here."

The distribution of pencils, paper, envelopes, Bibles, tracks, reading materials, and hygiene items has opened doors and given us more opportunities to present the Gospel. Presently there is a great need for hygiene items.

This year we were able to see 202 men and women accept Jesus Christ as their personal Saviour. There were over 54 rededications, more than 400 Bible study sessions and over 300 individual counseling sessions. God has blessed us in a great way in the Jail Ministry.

I am thankful for each Christian and each church in the Piedmont Baptist Association and for the opportunity to serve God as a chaplain in the Jail Ministry. Pray for Reginald and myself that we will be faithful to the task God has given us.

Reginald Cook

It has been said that people in general forget two kinds of people, those who have passed on and those who are in jail.

The Jail and Prison Ministry make a portion of this statement false. The prisoner is not forgotten but many of his needs are met through this ministry of the Piedmont Baptist Association. Many men and women have received the Lord Jesus Christ into their lives, also many rededications have been made.

During this year many things have happened to bless my heart. One being the detention officers have made me feel fully accepted. They do not hesitate to tell the Chaplain of a person who may need spiritual or other help.

At the High Point Jail, one of the detention officers made the statement, "I am glad to see the chaplains come, because when they leave there is a sense of peace here that was not here before."

In November, 1986 a young man accepted Christ into his life and I have had the pleasure of seeing him grow in the Lord. This man loves to talk about the Lord and he loves to let people know that he is saved. This man is a great help in spreading the Gospel in his cell.

Another man rededicated his life to Jesus Christ in the jail two years ago, now he is at Sandy Ridge still pressing forward. This man came to me in September and told me that God had called him into the ministry to be a preacher of the Gospel of Jesus Christ.

Piedmont Baptist Association, I thank you for all the things you are doing for the men and women who are locked up. May God bless all of you. I also thank God for two friends and Christian brothers, David Fleming and Beauford Smith, with whom I work.

If your church would like for me to speak to their youth about drugs or share my testimony during the year of 1988, please don't hesitate to let me know. To God be the glory!

SANDY RIDGE PRISON UNIT

David Fleming

We thank God for providing us with so many concerned Christians interested in ministering to prison inmates. Many have come to know the Lord Jesus Christ as Saviour through our personal witness. Each year this ministry becomes more challenging as God continues to provide us with opportunities to serve Him.

In the past year we have provided 52 Bible studies, 52 worship services, 64 Gospel song services, 52 rap sessions,

special Christmas, Easter and Thanksgiving services. Many of our churches have supplied us with food, clothing and shelter for inmates and their families. We give thanks to the WMU, Brotherhood and other groups who provided cakes, pies, ice cream, fellowships and other refreshments for many of our programs.

In my personal ministry to staff and inmates, I have had 462 counseling sessions, 37 speaking engagements, 22 visits to PRAC, 43 hospital visits, 6 funerals, 8 marriage ceremonies and had other personal contacts while supervising the volunteers and coordinating all of the religious activities of the unit.

The inmates provided a Christmas party for the children in the Juvenile Detention Home. Several inmates dedicated to God have been released and are volunteering at the Juvenile Hall and sharing their testimonies with various youth groups in schools and churches.

In the past year, 146 men rededicated their lives to God and 37 received Christ as Saviour. God is continuously touching the hearts and lives of these prisoners. We will continue to pray, seek God's will and expect even greater things as we rely on God to lead us in the coming year.

"Lives can be changed even if men are in prison, we have seen it happen."

GREENSBORO POLICE DEPARTMENT

Wofford Boyd

Piedmont Baptist Association ministry to the Greensboro Police Department is well received by the members of the department and their families. The ministry is having a very positive effect.

I feel that "the Chaplain" has become accepted as a member of the department. We felt that the Police Department Ministry would take some relationship building before the department members would open up. Trust has developed and members are coming regularly to discuss all areas of work and personal concerns. Some come just to talk, while others desire real counseling sessions. During the death of someone close, folks need a person who has time just to be with them and let them express their hurt and concerns. When day-to-day living seems overwhelming, individuals need someone to listen, to share their concerns and to care. The Chaplain is there.

There are lots of people at the department and they share concerns with each other. Sometimes, concerns are too intimate or personal to share with fellow workers. Maybe there are matters that seem to be inappropriate to discuss with a supervisor or the supervisor just doesn't have time. Then the

Chaplain is there. The Chaplain has time as well as skills to help.

When matters become grave, it is significant to have a chaplain to go to. When concerned about life, its meaning and purpose or when overwhelmed by its surprises, members of the department are turning to the ministry for support and assistance. To me this is ministry at its height.

The height of ministry is sharing the love, grace and will of God with individuals who have need or openness for a Word from the Lord. As relationships are being built, members of the department are opening up to talk about God and their need for Him.

We have waited for the relationships to build and the people to open up. Finally last month a member of the department, in counsel with this Chaplain, professed his faith in Jesus Christ asking Him to forgive his sins and to be Lord of his life.

This past year we have experienced 207 counseling sessions (including individual, marriage and pre-marriage), 176 pastoral contacts (hospital visits, crisis, weddings, funerals, budget, etc.), and 327 departmental activities (invocation at ceremonials, recruit school graduation and retirement dinners; ride-along with officers: meeting with special training teams and line-up). Now at the end of this year a profession of faith!

As Chaplain I have attended 13 workshops and seminars to enhance my own personal growth and improve my helping skills. I have become a member of the North Carolina Chaplains Association and the International Conference of Police Chaplains. I have been endorsed by the Home Mission Board of the SBC and in September my wife and I were commissioned by the Home Mission Board in Atlanta as Home Missionaries.

All of this is made possible by you the Piedmont Baptist Association through your gifts and desire to minister.

May it be to the Glory of God!

LITERACY

What did you read today? Did you read your newspaper, a menu, look up a telephone number or directions for something? Those of us who can read take so much for granted when we realize that better than one out of five adults around us are functionally illiterate.

We in the Literacy work in our Association are doing what we can although sometimes it seems so little when there is such a need around us.

We had one of our best workshops this year. Mrs. Velma McGee from Winston Salem led the workshop for us again. Twenty teachers received diplomas and nine of these have accepted

students with much interest. (Ofcourse, we continue to lose teachers as they move away or family situations change.) At this time, we have no students waiting for a teacher. It still hurts us to know there are so many who need assistance and we have teachers waiting to help them if they will only come forward.

Some new work has opened up for us at a drug rehabilitation center for youthful offenders and it seems words of encouragement along with the reading is so helpful to them.

We have two teachers who meet their students in a room provided at First Baptist Church during the day. If you have such a place to offer us, please let us know. Some students meet with their teachers on their way to or from work.

We're reading more and more about Literacy in our newspapers and seeing the promotion on T.V. We are grateful for the PLUS Program (Project Literacy U.S.) and that it has been extended another year. This has been a help to us as they refer students and prospective teachers to us.

Of the 158 member nations in the United Nations, the United States ranks 49th. in its literacy rate. The statistics are staggering: 23 million adult Americans are functionally illiterate (basic skills at the 4th. grade or below) and another 45 million read and write at a marginal level. The number of illiterates in this country is estimated to be growing by 1.5 million a year. Thirty-six percent of our adult population does not have a high school education, and 22 percent of our young people still do not get high school diplomas.

In his State of the State address, Gov. Jim Martin proclaimed 1987 the "Year of the Reader" and announced creation of a Governor's Literacy Council to coordinate the state's literacy programs. The report issued by Lt. Gov. Bob Jordan's Commission on Jobs and Economic Growth calls for allocating "necessary resources to address the literacy problem...with the goal of substantial reduction in illiteracy rates by the year 2000."

Continue to pray for us as we minister to others through our Literacy Program. Our tentative workshop date is May 1988.

Frances Funderburk, Director

INTERNATIONAL STUDENT MINISTRY

During the 1986-87 school year, your International Student Committee sponsored five social events for students in the Greensboro area. Along with the "Friend Families", the WMU's and the churches, we hosted our four regular events, plus a summer mountain trip which we added this year.

Our first event was the Fall Picnic in September at Oka

Hester Park. College Park Baptist Church was the host for the Thanksgiving Dinner in November. Our Valentine Party was held at Friendly Avenue Baptist Church in February, and the end of the year picnic was held at Dr. Vaughan's Farm on April 11. In addition, we helped send 7 students to the Thanksgiving International Conference in Williamsburg over the Thanksgiving holidays.

As has been true in the past, our most difficult problem is recruiting families to serve as special friends to the international students, in what we call a "Friend Family" program. We were able to place approximately 25 students with families, but we had several students who were never assigned.

To help with this problem, we began recruiting families in the summer and we are providing a training session for them. It is our goal to have at least 50 families recruited and trained to serve in this capacity by the end of the year. In cooperation with another international student ministry, we have placed over 60 students this fall (1987) with over 50 families. We still have some male students who are not assigned.

Our first event this year was the Fall Picnic at Bryan Park on September 12. Even with the rain, we had about 80 people to attend, about equally divided between students and American families. Our next event is the Thanksgiving Dinner on Saturday, November 21, at Greensboro First Baptist Church. You are all invited to come and bring a covered dish.

We are in need of about 3 more committee members so more of our churches can be represented in this vital ministry. This is truly foreign missions at our doorstep.

OVERNIGHT HOSPITAL-EMERGENCY MINISTRY

After several months of meetings, separately and with hospital chaplains, the committee for overnight hospital emergencies set in motion this ministry, jointly with local hospitals, on July 1, 1987.

The purpose of this ministry is to provide family members (of local hospital patients who are seriously ill or accident victims) lodging for a night or two in local motels. The ministry is under the direction of the Piedmont Baptist Association but administered through the chaplains' offices in each hospital. It is directed toward those family members who cannot otherwise provide lodging themselves. Churches of the association will also provide transportation, help with shopping or anyway that we can, to minister to hurting people in a traumatic situation.

A family involved in an auto accident which claimed the mother's life were our guests as the father watched over one of his small daughters in intensive care and tried to make funeral

arrangements in South Carolina.

A man from California, after a truck accident and several weeks of hospitalization, needed a place to stay as he was dismissed on crutches. Our ministry provided overnight lodging, transportation to the motel, supper brought to him and one of our Baptist men took him to the airport at 6:30 the next morning. Social services had provided him with a ticket to California.

Recently, a mother and father died at Moses Cone Hospital following an auto accident. We provided lodging for the children.

This ministry will open up many opportunities for showing Christian love to people with breaking hearts and in financial need. It is starting slowly but meaningfully.

FAMILY MINISTRY

The Family Ministry emphasis in the 1986-87 associational year consisted of three parts:

Part one dealt with "The Pastor and His Wife". The idea was to show a good Christian model for others in the church to emulate. Pastors and wives are not perfect but they can serve as good role models.

Part two had to do with the associational Key Leadership Conference. Your director attended the Family Ministry Conference at Ridgecrest this past summer. The conference was most interesting.

Bob Newton from the Baptist State Convention office was one of the leaders we invited to help lead our associational Family Life Conference. Those attending received a genuine blessing.

Part three relates to an associational counselor. At the present time, we do not have the money to employ a trained Christian counselor. We have joined with the Lawndale Baptist Church in sponsoring Mary Pearson. Lawndale Church provides the office space and the association helps in promoting this new ministry. Reasonable fees provide the salary. We encourage pastors to direct people who need counseling to this office. In the future, we hope to have a full-time, well-trained, Christian counselor.

A. L. Parker, Director

BAPTIST CAMPUS MINISTRIES

At UNCG our Baptist Student Union program continues to involve many students in our weekday ministry as well as in the cooperative programming with the local Baptist churches; eight of which provide special ministry for college students.

During the summer we had 9 students serving in summer missions. This was in addition to our weekday missions projects and our Spring Break Missions Project to NYC. The students involved in these groups are willing to come to your churches to share their experiences. In the spring one of our graduates, Ernie Moore, was appointed a US-2 missionary to Florida. He will be doing church planting in the Orlando area.

The fall of 1987 has brought two exciting additions to our ministry. We have several students from Greensboro College who have become active in our BSU. (We cannot form a BSU on that campus.) In addition we have organized a new BSU at GTOC with David Clemmons, South Elm Street Baptist Church, as the volunteer director. That BSU meets on Tuesdays at noon. We had 34 students from UNCG, Greensboro College, and GTOC who attended the NC Baptist Student State Convention at Ridgecrest on September 25-27. We are very happy with the new ministries with two more colleges in the city.

Please encourage your students to try to participate in BSU, wherever they are in college, but if they are in Greensboro we would be happy to have them in either the ministry at UNCG, Greensboro College or at GTOC.

THE BIBLICAL RECORDER

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the Biblical Recorder!

The state Baptist paper for North Carolina always tries to tell it like it is—the good, the bad, the victories and the warts—with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The Recorder tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more

challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain—only \$5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the Recorder comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than \$90,000 in 1987, the Recorder directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

The Biblical Recorder

May God help us all to work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occurred during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function in society.

2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County.

3. Long-Range Planning, which in today's complex world of child care can only extend up to five years, was begun. As a basis for this LRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina.

We believe you share in this accomplishment.

4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center and at our maternity home. OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes and Hospital Offering in May and Cooperative Program stewardship.

Update/Thomasville Family Services Area: The Mills Home Baptist Church continues to be a source of encouragement in light of over thirty youth making a profession of faith in Jesus Christ. This is certainly a vital part of the mission endeavor in reaching the world for our Lord.

Miss Leigh Sneed did an outstanding job as our Youth Corp summer worker.

The Arts & Craft Festival continues to be a popular event. Over 500 joined our staff for this exciting event.

Homecoming in August was an enjoyable experience as 1,000 alumni and friends returned home for their annual event. Two former editors of **Charity & Children** returned for the occasion, including John Roberts, current editor of the **Baptist Courier** in South Carolina; and Marse Grant, retired editor of the **Biblical Recorder**.

Charles Goad was named Acting Director Thomasville Family Services Area. Larry Sawyer was transferred to the Pembroke Family Services Area.

Through your faithful prayers and generous financial support, we continue to be laborers together for God, grateful for the opportunity to serve with you.

A recent survey sent to more than 24,000 lay persons and pastors in North Carolina, revealed strongly positive attitudes toward Baptist colleges.

The following summary of the survey's conclusions will interest our Baptist people in the churches and associations:

1. Almost 99 percent of those surveyed said Christian education should remain a high priority in North Carolina Baptist life.
2. More than 80 percent rated North Carolina Baptist colleges as outstanding or good. Ninety-five percent believe the quality of education is equal or superior to an education at a state school.
3. The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian commitment of faculty and the spiritual emphasis on the campuses. The over-whelming weakness is the cost.
4. Most said they learned about the colleges through the Biblical Recorder. The opinion was strong, however (65%), that Baptist students do not receive sufficient information about Baptist colleges through the local church.
5. When asked about the percentage of Cooperative Program funds for Christian education, 45.5 percent answered that it is "About right," while 37.8 percent replied the percentage is "Not enough."
6. Respondents to the survey were 29 percent women and 40 lay persons. Eighty-four percent were from churches with memberships between 100 and 999.

Such positive attitudes encourage Baptist colleges to excel even more in service and cooperation with Baptist churches.

(A copy of the complete survey results may be obtained by writing to the Council on Christian Higher Education, P. O. Box 107, Cary, North Carolina 27512-1107.)

MORE ABOUT NORTH CAROLINA BAPTIST COLLEGES

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bushel Award." He meant, of course, that many of the finest, most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages for Baptist students who attend a North Carolina Baptist college. When young people and their parents are choosing a college together, here are some things to consider:

THE TIME: Life after high school is still a time for growing,

maturing, learning and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a lifetime. The first experiences after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus. No one is overwhelmed by a "megaversity" environment. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students, and are available to advise and counsel between classes.

A LASTING FAMILY: Many years after graduation, former students still visit and write letters to favorite professors, cherished friends in college often remain friends for a life-time. More often than not students will choose a husband or wife while on a college campus. These are only some of the advantages of a Baptist college community of caring people.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending a life. An excellent, broadbased education provides a sound foundation for a person's last job, as well as the first.

THE ROLL CALL OF BAPTIST COLLEGES

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

BAPTIST FOUNDATION

You might call Frank Neville handicapped. He spends most of his time in a wheelchair. But he denies that he is handicapped, and instead has utilized his limited mobility as opportunity to witness. Each day he invites neighbors and acquaintances, one at a time, into his home for coffee. There he talks with them about Jesus, and Frank has been thrilled and amazed at their expressions of appreciation for his concern for their spiritual welfare.

Frank has determined that he will never stop witnessing, and his financial and estate plans have been so prepared as to insure that he will always be a part of winning the lost to Christ. He transferred valuable land into trust with the Baptist Foundation. Until his death, he will receive income earned by the trust. After that time, all income will be paid to Carolina Baptist Association to be used for Spanish mission ministries; scholarships for youngsters to attend summer camp, for students studying for Christian vocations, and for persons going on volunteer mission trips; for training and resources for associational leadership; and for camp development. Frank Neville, like others who are faithful stewards now, wishes to continue that commitment when he is no longer here.

The Foundation promotes endowment of Christian causes with an assurance drawn from its experience with donors that such planning for the future in no way minimizes "now" witnessing and giving. Just the opposite has been the case; the faithful steward is faithful in every area. The statistics, dollars and facts of this report are truly about the people whose impassioned concern for mission and ministry has resulted in positive action.

In 1986, new trust agreements were prepared for 93 persons. Their gifts to initiate these trusts totaled \$1,181,288. Many of the agreements provide for and anticipate the addition of funds in the future; thus, it is difficult to assess the longterm benefit to Baptist work provided through the trusts. Assistance was given to dozens of persons in preparing their wills, all of whom included trusts through their estates for nearly every cause supported by Southern Baptists.

One imaginative concept employed in several trusts and wills has been "Give it Twice". A trustor provides that family members receive income earned by the trust until they have received an amount equal to the principal placed in trust. Then, after the family has received the full amount, the income thereafter is paid to Baptist causes selected by the trustor in the trust agreement. He has denied his family nothing! They have received it all. But the principal is still intact and the second time around the income will support Kingdom work.

Because of the 1986 reform legislation, certain types of trusts have taken on new significance. The Retirement Unitrust has become a vehicle for partially replacing the IRA. This trust is especially attractive for professional persons and others in middle years for supplementing other pension plans.

Many local churches chose to use the Foundation as trustee for funds which they were holding for future needs. Investment of those funds with the Foundation can, in some cases, result in greater income for the church. Conversely, since the funds are pooled and since churches can recall the

funds, if they are withdrawn during a depressed market, principal returned to the church could be reduced. It is important that churches recognize that the Foundation's first objective is to assist individuals in estate stewardship. The motivation for using the Foundation must be the making of a gift to a Baptist cause. The Foundation does not operate as a bank or investment institution. However, one exciting realization for the church is that investment through the Foundation allows their funds to be a part of "family" and to be available for "family" use, if they desire.

In corporation with the state convention, the Foundation established in the last year a credit line of \$3,000,000 for Church loans. The Board of Directors took action to implement recommendations of its study committee, resulting in addition to the staff of a director of administration to direct the church loan and student loan programs, as well as trust management. The Board also approved construction of office facilities for the Foundation near the Baptist Building with plans to begin construction in September, 1987.

Assets of the Foundation have increased to more than \$13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons who, like Frank Neville, witness and give daily, that the lost, the needy, the hurting people of the world might know Jesus.

NORTH CAROLINA BAPTIST HOSPITAL

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987 has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses", continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an

arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events. In addition, the department, in cooperation with the Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management", "Healing of Corporate Pain", and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of \$474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was \$608,389.00, making our total receipts from the churches \$1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

THE BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. Advocacy for Older Adults

During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population...the Older Adult. Appearing before church, associational, and convention groups throughout the state, the "Homes" and staff have attempted to sensitize Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

II. Quality Care

During the year 1986-87, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes" Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients.

In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has been begun at the Albemarle Home. Quality care, long the hall-mark of the "Homes" is still the institution's main objective.

III. During 1986-87, plans for institutional expansion and new development have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the "Homes" offers concrete expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.
